## President's Report - Ben Munro

It is hard to fathom that it has again come time to prepare my report paying tribute to and reflecting upon the 2016/2017 season. It may be the period of growth and frenetic activity we are experiencing as a Club (or it may just be this President's age), but each season these days seems to fly by quicker than the last. It was, however, a season to remember! As a barrister, I am usually better with words but I think the best way to describe our successes this year is by the numbers.

This year we assisted our members to achieve a record number of awards – 1,613 Awards in season 2016/2017 in total. Fifty Four new Bronze Medallion holders joined the Lifesaving family this season and Twenty Seven new SRC Award Holders qualified ready to tackle their Bronze in the coming season. We proudly boasted 962 SLSC Members including 290 Active Members. 7,677.25 volunteer patrol hours were completed by our patrolling members, contributed to by 308 qualified volunteer Surf Lifesavers. And of course the number which means to much more to me than any other - there were again Zero preventable deaths at our beach in the 2016/2017 season.

We were proud to support our members' ongoing involvement in the PDB Team X-Treme Program and various Youth Development activities and camps facilitated by SLSQ as well as our internal activities designed to foster club spirit, build culture and support both the development and enjoyment of our young members in lifesaving activities.

It was a competitive season to remember. We achieved second at the Rescue 2016 World Lifesaving Championships - the Club's best ever result. We boasted two World Champion Teams and one Individual World Champion. The Club achieved Second at the 2017 Australian Surf Life Saving Championships for the second year running. We retained the 2016 Australian Pool Rescue Championships Point score championship. We assisted five athletes to compete in the Kellogg's Nutri Grain Iron Series, another Club record. The Club had four members selected to represent International Teams - Australia and NZ at Rescue 2016. Our IRB Racing Team is back and building into a very competitive unit.

It was another very successful year for the Supporters Association with very solid trading figures being posted despite some significant weather challenges being thrown our way. This season was a period of consolidation, as the Club prepares to undertake a major renovation to ensure the facilities continue to attract record crowds to our unique location. Facilities aside, our shining asset was again our staff who deliver such incredible hospitality day in and day out. I take this opportunity to extend my sincere thanks to the Supporters Association Committee for their foresight and commitment to improvement but also to our incredibly talented team, led by the incomparable Chris Kelly as General Manager – also his wonderful second in charge Murray Turnbull, all of the Duty Managers, the bar staff, the restaurant staff, the front of house, the administration and marketing team and of course the engine that drives it all under the most unbelievably difficult pressures, the team in the kitchen! Thank you for ongoing support and hard work which allows the SLSC to expand its operations and continue to grow and achieve its strategic goals. More than that, thank you for the warm way in which you look after our Surf Club members throughout the year.

This season saw the successful integration of Nippers back into the SLSC structure. We are finally one Club from top to bottom and not before time! We had 299 Nippers registered this season. These dynamos were PDB Champions and Gold Coast City Titles Champions in season 2016/2017 and achieved a very credible fourth at the State Titles. In fact, they went into the last day of competition still hanging on to first place on the point score but were overrun in the end. To Ben Cahill and the junior committee, I am indebted to you for all the hard work that you have put in and for reminding us all how much fun you can have whilst volunteering. To watch the pride that these people instill in our little lifesavers about being a Viking and wearing the green and white is inspirational. It can never start too young.

## Presidents Report Continued

The Active Member Night function attendance was well up on previous seasons and a great cross section of members from Life Members to new Club Members and Nipper families all descended on the Club each month, assisting us to realise our goal of bringing the diverse sections of our Club together under one banner. I am indebted to the Social Committee who worked tirelessly to facilitate and promote social activities including the Season Launch, Sportsman's Lunch, Annual Dinners, Active Member Nights, post-event celebrations, Youth Balls and Women in Surf functions. It has never been truer to recognise that "The Club That Parties Together, Stays Together".

From my point of view, I would like to thank all of those members who assisted on the Club Council, the Management Committee, subcommittees and all members who did all of those little things which perhaps go unnoticed. I noticed. Thank you. I wish to thank the Club's quiet achiever, Carole Walle for the countless tasks she simply "handles" in her wonderfully quiet and unassuming way. So many parts of our Season ran smoothly because of Carole's talents including, of course, the burgeoning Proficiency days.

And finally, could I pay my deep and heartfelt thanks to our brilliant CEO, Michael Sullivan. If I may conceitedly claim one achievement – indeed probably my only achievement as President - it is to have moved heaven and earth to ensure that not only do we retain Michael Sullivan's services, but that his genius and foresight is allowed to flourish and grow. It is Michael's vision we now see the fruits of. It is his commitment we benefit from. It is his generosity of spirit we enjoy. He embodies the place. Anyone who witnesses Michael work knows that this is not simply a job for him – it is a labour of love. Michael, thank you. Kevin Costner once said that "If you build it, they will come". Well Michael, they are here. And all Vikings. Be very proud of yourself.

So my message for the coming season is this. I believe one of the great dangers is that when things are going well – and there is no doubt that we are in something of a golden period – complacency is the evil within. It would be all too easy to say "Well, the Club doesn't need me. It's all running well. I'll just do what I did last year." The Club does need you. Each and every one of you. It needs you to give what you can. And it needs you to lend your support to others who have given consistently, again and again. Get involved. Find out what's happening. Take an interest in a little part of the Club that you may not have been involved with before. This is particularly important in this period of growth – expanding numbers means more volunteers are required as officials, age managers and on sub-committees to share the workload. Share the load - and I promise you'll share the success!

Finally, I must respectfully acknowledge and mark the passing of two of our most remarkable Club members– Peter Neumann and John Newton. Any club with a reasonably long history only reaches the heights that it does by standing on the shoulders of great men and women who have come before. John and Peter were two of the greats.

## CEO Report - Michael Sullivan

Season 2016/2017 was again another highly successful campaign for Currumbin SLSC, one in which we saw continued growth in the number of new awards gained by our volunteer lifesavers, increased the number of new patrollers joining our voluntary beach patrols and reinforced the value being created by our focus on improving membership services, while investing in our volunteers through lifesaving courses, youth development activities, social initiatives and our surf sports programs and pathways.

Our members are and still remain our highest priority. Over the last twelve months, as a staffing group and Club Council we worked hard to find ways to build advocacy, commitment and motivation, by improving how we deliver benefits to the community and our members in order to have a positive impact on their lives through our programs and services.

To each and every one of our volunteer members I thank you for your selfless commitment to our beach operations and lifesaving services. The statistics outlined in this report speak for themselves in terms of your value to our organisation and you should all be extremely proud of what you have helped your Club contribute to the community over the past twelve months.

Financially, our Supporters Club again provided a solid platform from which we were able to fund the delivery of our strategic and operational plans. Revenues generated from grants and fundraising activities continued to grow and our sponsorship levels reached record heights thanks to some fantastic partnerships formed with community organisations whose support of the club and our members we simply couldn't do without. To our official Club sponsors whose support is listed below and is evident throughout this report thank you for your ongoing commitment towards the Currumbin Beach Vikings Surf Life Saving Club.

The club was also fortunate enough to receive a number of grants in season 2016/2017 to assist with delivering our lifesaving programs. Thank you to Karen Andrews MP and the Building Stronger Communities Fund, The Gold Coast City Council, DCS Fund, the Beach Safety Equipment Fund and the Gold Coast Airport who all provided much needed funding towards our lifesaving equipment, community training and education programs and training courses over the past twelve months

Once again I thank all Club, committee and subcommittee members as well as our staff for your commitment and dedication to making this club the greatest that it can be. Thank you for making this Club so special and I hope that you continue to do so and help us reach even greater heights in the future.

## Our Valued Sponsors

## Surf Lifesaving Report - Andrew McIntyre

Dear patrollers and Vikings.

On behalf of the Surf Lifesaving Committee, I am pleased to inform you of another successful season. While we have achieved our strategic goals and grown across many sections, as Club Captain, it is sometimes those things that can't be predicted or measured that demonstrates the real Viking qualities. From helping our nearby clubs with their patrols or filling in as a sub or being willing to help out at short notice, all demonstrates the quality and camaraderie of our members.

From a committee perspective, further achievements include the implementation of the new budgetary process. This has greatly streamlined the ability to plan, decommission and acquire patrol equipment, including the delivery of a new IRB, an IRB road trailer, lifejackets, training buoys and motors. This process has also enabled the creation of a new program that aims to identify future leaders and provide opportunities for them to gain experiences and skills through club partnership program.

To achieve our goals and be successful needs teamwork and a passion to make our club and the community a better place. So thank you to every patroller who volunteered their time to ensure that our beach remained fatality free. Your vigilance and commitment is evident through 553 preventative actions and 201 first aid treatments. To our Patrol Captains, your support, beach management and leadership is greatly appreciated as is your reward recognition of your team.

Congratulations and thanks to our Trainers, Assessors and Facilitators for achieving a record year of education, with a total of 1613 awards including, fifty plus new bronze and twenty seven SRC award holders. The delivery of high quality courses not only increases the response capacity of our members but also has the added benefit of increasing satisfaction and interest while on patrol.

Finally, I would like to sincerely thank the incredible support and hard work behind the scenes of Anne Owen (Vice-Club Captain) and Carole Walle (Administrator). Their commitment throughout the season is greatly appreciated and much needed for the future.

I look forward to seeing you back on the beach for another rewarding and successful season in 2017/2018.

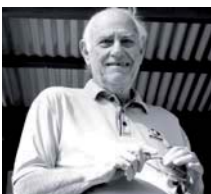

## Social- Report - Karley Lawler

The 2016/2017 patrol and competition season commenced with a very damp season launch at the Neumann's Farm. While the attendance numbers were down as a result of the extremely wet weather, those that trekked out to the farm were treated to a live band, nibbles and a warm pizza oven. Thanks to the boaties and nipper families that made up the majority of the numbers, and took on the wild weather. Your continued support regardless of the weather helps makes these events a great time.

Our active members' nights have continued along, with excellent attendance. Thanks to those members that continually make their way down to the Club on a Friday afternoon and support these evenings. It really is a fun night and is a way to thank all our active members who volunteer to keep everything ticking over in the Club. It has been great to see an excellent cross section of the club attending from our Vintage Vikings, through to our water and beach competitors, board riders, right through to nipper families and on some nights, if you are lucky members of our IRB team.

A huge thank you to Annie Owen, Justin Jones, Nicki Wildman, Deb Searle and Jenny Cosgrove, who make up the social committee. These people are always willing to put their hands up and give time to help out to make the social functions great. THANK YOU. Also an extra special thank you to Annie Owen, who has mentored me for this season in all things social. Moving over from the nippers was a bit of a change, but the previous social director has ensured that nothing has been missed. Also a big welcome to Jayden Erskine and Hayley Cox who are the newest recruits on the social committee. We can't wait for all your great ideas. The 2017/2018 season is looking great with the revival of the cocktail party, and the season launch date already locked in. See you at the next social event!

### Vale- -Peter Neumann

Peter was a Life Member of Currumbin Beach Vikings and held the title of Club Patron from 2008-2017. Peter was Club Secretary from 1971-1974 and Club Captain from 1960-1962. Peter had a love for Currumbin few others had and was one of the true characters in the history of the Vikings. You will be missed by us all Peter. R.I.P!

### Vale- -John Newton

Phillip (John) Newton joined the Club in 1996 and was a long serving member of the Club. John spent many years as the Currumbin SLSC Ski Coach where he guided many of our members to National medals and representative honours. John also won numerous State and Australian Masters Titles as a competitor and will be deeply missed by the Viking family. R.I.P John'

## Supporters Club Report - Chris Kelly

It is again my pleasure to submit a report on behalf of the management and staff of the Currumbin Beach Vikings Supporters Club. Financially the club traded well with income reaching seven million dollars. Working on the back of improved efficiencies and robust cost controls the club has posted an impressive operating profit for the financial year.

I would like to take this opportunity to thank our valued management and staff for their outstanding efforts and performance. They are second to none in terms of their passion and professionalism with regard to servicing our members and guests. Congratulations to all staff for creating many experiences our patrons have both enjoyed and remembered.

We have returned in excess of one million dollars back to our members in the way of discounts and membership promotions. Members are undoubtedly the foundation of the club and we as a team will strive to make Currumbin Beach Vikings as attractive to existing members and new members alike.

I would like to acknowledge on behalf of the supporters club the outstanding result of our competitors at both the Queensland and Australian Surf Life Saving Titles. Although it was disappointing not unleashing the full might of the CBV onto fellow clubs, it does give us another 12 months of growth. Watch out Northcliffe! The Supporters Club would also like to thank the patrol teams in again maintaining a safe beach environment.

Special mention should be given to the Supporters Club committee who have again guided the club in a positive direction. Their support has been unwavering and is much appreciated by myself, management and staff.

The entire Supporters Club is looking forward to the planned upcoming renovation as the Committee strive to make a great club even greater. In closing I must say that 2016/2017 has been a very successful year for both the Currumbin Beach Vikings Surf Lifesaving Club and the Currumbin Beach Vikings Supporters Club. I look forward to this success continuing through the 2017/2018 season.

## Junior Activities ~ Ben Cahill

Another season has come and gone and once again Currumbin nippers are showing the way with great sportsmanship and attitude. On behalf of all the junior club we would like to congratulate all members of the surf club, from under 6's up we love being a part of our wonderful club and want to thank you all, from the council members to Michael Sullivan, Kurt Wilson, you are all willing to help out where you can along with all the staff who help with money floats, ice etc. Also Werner and the IRB team Thank you! It's great for our kids to get an insight to what it's like for competition from the likes of Amy and Karlee Nurthen, Tara Coleman, Britt Brymer, Jackson Maynard, Hayden White, Matt Davis and others on a Sunday morning to have a chat to our young stars of the future Likewise our patrollers on weekends giving their time to watch over all of our young ones. Thank you all!

Once again we are Branch and Gold Coast Champion Club and at state titles we gained an extra forty points on last year. It's always great to be up there in the point score, but if the kids are achieving their goals and having fun that's the best result! A big thanks go to our wonderful coaches for their efforts all season, Sam Dick, Dan Norton Smith and Dave Bellue. Thanks Brett Dowker for often helping out too! Our junior chief instructor Steven Cahill put through our under 14's and parents for their SRC awards with help from Dave Bellue and it was great to see them joining in on patrols throughout the year! Thanks must also go to Courtney Taylor and Sam Dick for all of our members gaining new awards.

All of our competitors would like to thank our wonderful officials, water safety and IRB teams who help at carnivals, without your help we would not be able to field a team to represent us at carnivals. Something I have noticed over the years is that nine times out of ten the kids doing the best are the ones with mum and dad helping out. It truly is a movement for the entire family.

Once again we have had a fantastic input from our wonderful committee. All you do for our kids is fantastic you are the heart and soul of our club! Thank you so much Tara Cahill, Louise Waller, Sean Winter, Simone Day, Steven Cahill, Sharyn Halliwell and our outgoing Vice President Steve Little, Julie Little and Secretary Amanda Meehan you guys will be greatly missed especially all your help for me personally Steve, thanks guys and girls! Also we said goodbye to our BBQ man Ted this year who has held the mantle for about fifteen years even without any grandkids involved for the last couple of years, Thanks mate and all the best! We are looking forward to a swim with our head of Sunday water safety Len Cook! Len comes down and helps every Sunday with the swims and is a calming presence for a lot of the kids who prefer to have a swim with Len instead of a screaming dad! Good job Lenny he is always there to help with the beach set up too! Another gun swimmer and nipper dad Jared Clark from Jims test and tag made sure all of our appliances were safe to use.

## *Junior Activities continued*

The junior committee saw fit to recognize the efforts of a true legend of our community with Life membership to Craig Dick, our Clubhouse Director. Craig has been involved at the nippers for well over fifteen years and with wife Joanne and children Sam and Lilli, the Dick family has shown the way in what it means to be a great member of the Currumbin family. Their Village store near Currumbin Sanctuary has supplied our bread and gas for our Sunday BBO for most of that time and never issues a bill. Also Craig is our carnival day photographer even though his kids are in the senior Club. All of our kids, mums and dads can't wait to see the hundreds of pictures Craig downloads, it is tough to get everyone but he does most of the time. Thanks Craig and family and Congratulations.

I personally want to thank all the people who do something, like Sunday or carnival set up and pack up, helping in the canteen, anything really. We try to have fun and teach lifesaving and surf skills to all 300+ kids by our wonderful age managers, then encourage all to come up and relive the stories of the day with a burger and drink, I mean nippers isn't all about the kids!

We have great fundraising nights (which could be better attended) pizza nights at the club after carnivals, we have great team spirit and a great team of kids coming over every year to join the senior Club and patrol our beautiful beach! I hope I haven't forgotten anyone.

Lastly the biggest thanks must go to my beautiful wife Tara, over the season it is nothing for her to be doing emails, registrations, carnival entries and so on for twenty plus hours per week, you are the ultimate club person I know!

## Surf Sports~ Marsha Maynard

This season saw our Surf Sports group of Boats, Beach, IRB, Surfing and Water competitors shine brightly once more. We welcomed new members in every section this year and they have become part of our big family. We competed in all disciplines of surf sports starting the season with the Coolangatta Gold. We entered several teams and three individual males this season. Our Short course Male Team and Long Course Male Team came away with victories and we had two open men finish in the top fifteen

We travelled all over the globe this year including attending the World Titles in the Netherlands. We took 20 Open competitors consisting of ten males and ten females and a female Boat crew. The Hunters Boat crew started the medal count winning the female Boat race. The Medal tally of eleven in total placed us second in the interclub overall point score. We had some great individual and team results. What an achievement in our first major assault with a full team on the world stage. (It must be noted we have attended other World Titles but not with a full twenty competitor team)

They like to go fast and with Werner and Luke leading by example the little IRB competitive crew are moving forward very fast. They attended all the carnivals over the season making semis and finals always standing tall in the Green and White. And at the State titles this small group placed fourteenth overall.

Pool Rescue is gaining momentum. This season the Club won the Branch titles, finished second in State Titles and won the Australian Titles. Their season is a small window compared to the six month training period of the other sections. Most of the competitors come straight from Australian Surf Titles into the Pool Rescue season. It is inspiring how talented these pool swimmers are.

The club has grown again this year and the Boat section raced over fourteen crews in various events throughout the season. The Boats competed in the Ocean Thunder series, QLD Cup and the Navy Series. Ocean Thunder had four teams entered and the Barbarians came home second place. The Navy series had most of the crews participating in at least one carnival always showing strong placing throughout the series. The State titles were the last competitive racing for the Boat crews and they destroyed the fields in most divisions. Open Men first, third and fourth. U23 female third U23 male first, U19 male first and Reserves third. Awesome results.

The Water arena increased slightly this season making up some commanding teams. Our younger age groups are expanding with these competitors hungry to step into open arena in the near future. Youth Aussies was completed for the under 14's and 15's and this limited entry event is one of the hardest contested at any Aussies event. The kids stood tall and brought home three medals over the two day format. Well done. A relatively new growing carnival format, Summer Of Surf Series showcased teams and individuals on Fox Sports TV throughout the year. The Open and 19 age groups travelled up and down the East coast following the series. The Nutrigrain Series highlighted the Ironmen and Women and CBV had five strong competitors showcasing the Green and White. Karlee Nurthen Placed third overall in the women's final standings. The Aussies was a wash out for most of the Water events, they had one-day of competition in which we watched the Vikings bring home five open medals and two under 19 medals. A total of 7 medals in one day, awesome work.

## Surf Sports Report continued

At Currumbin Beach we are lucky to have a home surfing break which payed off when it came to showing how strong we are in Board Riding. At the QLD state titles the little CBV team place second overall with some outstanding results. The Board Riding was completed at the Australian Titles this year before the whole event was cancelled and achieved amazing results. They came away with 9 medals in total. Three quarters of these competitors backed up and raced in others sections at Aussies and State Titles! Well-deserved results.

The mighty Sand Crabs "beachies" ran dominantly all season! "The fastest Man on Sand" and the "Summer of Surf series" gave the large crew a hit out before they launched themselves on the Aussies at Kirra. The Beach arena was another section that completed the Aussies this year. They came away with eleven medals in total. It was spine tingling watching the Open Men & Women win the Beach Relay finals. I proudly cheered till I had no voice left. The Beach section is always a highlight on finals day.

Currumbin Masters Men and Women also completed their Aussies with some old faces coming out of retirement. There is always a fun vibe had by these competitors and enjoying each other's company with tall tales and beer after makes it a great event. The Masters accumulated ten medals gaining ninety six points.

The Little house (Nippers) stood tall across the road and continued shaking the big clubs up! The overall State titles placed them fourth this season. We look forward to seeing them come across and join the senior ranks. Well done.

The Currumbin Coaching team have worked tirelessly to get the team to reach for their goals and achieve their dreams. Thank you for your patience and commitment. The results are amazing.

It was unfortunate that the Aussies was cancelled and we could debate the for and against, but it is what it is... Currumbin beach Vikings made a mark again placing overall second with only four days of competition. WOW!

Thank you to the Officials, IRB Drivers/Crews, the amazing Team Managers, families and parents who unselfishly give up their time for the Surf Sports Teams to be able to compete. We couldn't do it without you.

## Treasurer - Paul O'Shea

The audited financial statements of Currumbin Beach Vikings Surf Lifesaving Club Inc. for the year ended 30 April 2017 are presented later in this Report. I can attest that all expenditure has been made in the best interests of the Club and its members.

This season saw a stringent set of budgets implemented across all facets of the Surf Club with monies also provisioned for large future expenditures, I would like to thank all sections of the club for this financial discipline as it means we will be able to complete much needed club renovations in the near future with cash reserves and projected cash flow instead of debt; the club continues to remain in a healthy fiscal position.

This season also saw the nipper Club re-integrated back into the surf club and it is with great pleasure that I recognise the hard work done by that committee in meeting its fundraising commitments and working hard to manage spending throughout the season.

Once again I would like to thank the club CEO (Michael Sullivan) and Administrator (Carole Walle) who have been instrumental in assisting with accounts and record keeping throughout the year. We have had a successful year sourcing Grants and this continues to assist us in replacing Gear and Equipment for Lifesaving and Nippers as well as improving facilities for all. The financial statements highlight the very high cost of running a modern SLSC and clubs cannot survive financially without generous support of sponsors and successful supporters Clubs.

I sincerely thank the sponsors of our Club, without their support the club would find it difficult to fulfil its obligations and I hope that all club members show their full support towards these businesses' that support us. Also, I place on record my appreciation and admiration for the staff and committee of our Supporters Club for their continued success in achieving excellent profits year on year.

There is no doubt that there is a very strong and positive feeling throughout the club. We have come so far in the last few years and this is a credit to all members. We just need to utilize this enthusiasm to assist in the growth and stability of the club financially.
