## President's Report - Ben Munro

The 2017/2018 season will always, for me, go down in history as one of incredible highs and devastating lows. I am, as always, immensely proud of the way that the members of our great Club handled both extremes. As with all significant moments, I am confident that we now have the opportunity to pull together and collectively move forwards towards a future for the Club which honours those dedicated and magnificent members we have lost.

Let me first highlight the successes. This was another very successful patrolling season for the Club. No lives were lost on our beautiful stretch of beach thanks to the dedication of 274 active beach patrol members who collectively volunteered to provide 6,973.50 patrol hours in order to keep our community safe. This is at the heart of what we do. It is why the Club exists and why it was formed nearly 100 years ago. If all else ceases, this important community service will continue for another 100 years and beyond. I am indebted to each and every one of you for the dedication you have shown towards our first priority. We have such a wealth of talent and experience in the form of Patrol Captains who lead each patrol team with such enthusiasm and pride. Of course, the glue that holds the entire surf lifesaving team together is our brilliant Club Captain, Andrew McIntyre, who this year went above and beyond even his lofty standards, leading with such grace and humility in the face of the loss of the incomparable Annie Owen, as Vice Captain and First Aid Officer. It is always exciting to see a new wave of patrolling members coming through and this season we assisted 53 new Bronze Medallion/SRC Award holders to become qualified. To those newly qualified members I say, welcome to our family.

It was a competitive year to celebrate. We achieved amazing things across every section of the competitive space. The Pool Rescue team were once again crowned Australian Champions after an amazing and dominating performance in Adelaide. The Australian Championships held in Perth saw a modest but very talented team achieve some fantastic results. I am excited by the talent coming through in the younger divisions. However, for me, the highlight of the Aussies was seeing our men's open team take out the Taplin Relay after a hiatus of some 40 years.

For anyone lucky enough to witness this race, it was testament to what I believe we stand for as a Club. There was plenty of talent on display for the other powerhouse Clubs and yet, when it counted, I saw these young men competing for Currumbin simply refuse to yield. We were down and out so many times and yet each team member found something to take the team forward when it seemed there was no more left to give. The celebration at the end of the race is something that I will cherish long after my time as President is finished. That same pride and dedication in the green and white cap is something I saw replicated many times over the weekend in the water and from the beach to the boats. Thank you to Michael King, Tim Peach, Chris Maynard, Joe Fraser (and all of the dedicated boat sweeps) and Kurt Wilson for giving our members opportunities to excel in the sport they love.

Mind you, the senior members were certainly aware that they had a very hard act to follow. The magnificent Currumbin Vikings Nippers took out the Junior State Championships for the first time since the mid-90s. Again, I was on hand to witness lionhearted performances by so many. Some of these nippers had programs which would stop a professional ironman or iron woman in their tracks but, again and again, when asked to give something more for the team and the Club, they did so with guts and determination but also with a huge smile on their faces. My sincere thanks to the Junior President, Ben Cahill and his committee for producing such a talented and invested group of kids. Your committee has made winning fun. Thank you also to the junior coaching team – your wisdom and dedication are material in these successes.

If culture is a commodity, we have it in spades. Thank you to all members, young and old, for the pride and the way in which you each represent the Club we love.

Financially, the Club and the Supporters Association had a very challenging year. By no means is the Club anything but very financially secure. However, we did see a consistent trend across the year of more modest profit margins. In the main, I consider that this is probably a result of some serious competition both from other Surf Clubs who have invested heavily in renovations and also the proliferation of food and beverage outlets in the surrounding suburbs. I can assure you that the Supporters Association is not sitting on its hands. We are deep into preparations for a significant refurbishment of the Club and its facilities, including an IT upgrade. I wish to thank our General Manager, Chris Kelly and his team for the way in which they have doggedly pressed forward despite ongoing challenges and a facility which has fallen behind the competition. Thank you for your patience. We, as a Club and a Supporters Committee, are dedicated to providing you with the facility and the tools to allow you to do what you excel at – providing amazing service in a world-class venue. I am genuinely excited about the year ahead for this business.

## Presidents Report -Continued

It is not possible to discuss this season without recognising the devastating losses we experienced. We lost members who, for a variety of unique and wonderful reasons, can simply never be replaced. It is with profound sadness that I record the passing of Tony Vitiello, Annie Owen, John Jeffcoat. Bonnie Alchin, Bob Bray and John Munro. Each of these precious people added something unique and irreplaceable to the experience of being a Viking. They led by providing a daily example of the way to behave and contribute. In their own way, each of these individuals taught us how to give more, to take less and to love the Club and each other unconditionally. Please remember them fondly and keep them in your hearts and your minds when it comes time to consider why we dedicate our time and our spirit to this Club. We stand on the shoulders of those who have gone before us. What lofty standards they have set!

Finally, let me express my sincere thanks and gratitude for the way in which our brilliant CEO, Michael Sullivan, has led us through a very challenging season. We would not be in the position we are in without Michael's dedication and love for this Club. As a committee, we provided Michael with extra challenges this year and really asked him to extend himself. He is now responsible as CEO for both the Surf Club and the Supporters Association operations. The way in which Michael has thrown himself into the fray is both awe-inspiring and inspirational to me. History will show that the Club could not have navigated these challenging waters without a man with the talent and leadership of Michael Sullivan at the helm. How lucky we are to have a CEO who is with us and for us! Thank you, Michael.

So, in all, a season to remember for all of the reasons I have raised – good and bad. Just like a family, we grow together, we fight together and we cry together. We are Vikings, come what may.

## OUR VALUED SPONSORS

## CEO Report - Michael Sullivan

Whilst 2017/2018 has presented a number of challenges to us a Club, it has also provided us with the platform to look forward to the future. The restructure of the Club over the past twelve months has laid the perfect foundation for us to not only examine and understand our strengths and weaknesses across all areas of our operations and strategy but also to identify the opportunities that lie in working together with a 'one club' ethos that will no doubt make this great Club stronger than ever in years to come.

This season marked the end of our current strategic plan which I am happy to report has been extremely successful and delivered numerous benefits across the major pillars of our Club back to the members and community. The development of a new strategic plan in 2018 will see us set our strategic priorities for the next five years and beyond presenting some exciting opportunities to reinvest in our assets and our product to ensure our long term financial sustainability and diversity of revenue streams. This won't come without sacrifices however rest assured that all strategic and financial decisions will be made on the foundations of two key premises. That is firstly to ensure we are offering the best services and product to our current members and secondly and most importantly to ensure that we are leaving your Club in a better place for future committees and the next generation of our Viking members.

Our Supporters Club has and always will be a place for our members and the local community to celebrate, socialise and connect. With the planned renovation of the Club in recent seasons, there has been minimal capital investment into the venue over the past few years, so the staff and management should be proud of what they have been able to achieve over the past few years in light of this. The financial performance of our Supporters Club has afforded the Club many opportunities to expand in recent years in all areas of our operations and afforded a wider span of benefits and programs to members than ever possible before. Our staff in the Supporters Club work sixteen hours a day, 364 days a year to ensure funds are available to deliver our surf lifesaving programs and their efforts should be appreciated, recognised and of course celebrated. As a quick snapshot our Supporters Club turned over 217,234 meals to patrons in the last financial year. A big thank you to our Supporters Club Committee, our General Manager, Chris Kelly and the hardworking staff. We are thankful to all members and patrons who frequented the supporters club during the season and supported that side of our operation.

We have seen a successful year on the beach once again achieving our major goal and mission each season of keeping Currumbin Beach safe and fatality free. Over 6973.5 volunteer hours contributed to lifesaving beach patrols and 2684 preventative actions, rescues and first aid treatments. An amazing statistic in itself and one that our members should be proud of. To each and every one of our volunteer members I again thank you for your selfless commitment to our beach operations and lifesaving services. Our Nippers are our future lifesavers and competitors and it is important that we harness the potential that lies in this area of the Club. This season saw the delivery of another hugely successful nipper Sunday beach safety program and as a reflection of the great members we have involved in this space went on to win the Qld State Championship for the first time since 1992. We had another successful surf sports season winning the overall point score at the Australian Pool Rescue Titles and 47 national titles at the respective Australian Championships events. A full list of our surf sport achievements is documented in this report. Well done to everyone who donned the green and white cap this season and to our staff, coaches, managers and officials who made it possible for those members to toe the line.

The Club has been extremely fortunate to have a core group sitting on the management committee for a number of consecutive seasons now. The Council has a great blend of passion for the Club, dedication to their role and the skillsets to perform their job descriptions, ensuring what happens on the beach is delivered in an efficient and effective manner. These members are certainly the unsung heroes of the Club and give many hours on the beach and behind the scenes in the boardroom frequently sacrificing their own personal time and commitments for the greater good of our club and the community. To our Club Council and also to our hardworking office staff and administration thank you for your continued dedication to the club and your roles!

To our official Club sponsors whose support is listed below and is evident throughout this report thank you for your ongoing commitment towards the Currumbin Beach Vikings Surf Life Saving Club. We couldn't do what we do without you. We are extremely fortunate to have a large number of long term sponsors providing continued support to our Club as well as some new sponsors this season who have come on board to support various programs and services. The club was also fortunate enough to receive a number of grants in season 2017/2018 to assist with delivering our lifesaving programs. Thank you to Karen Andrews MP and the Building Stronger Communities Fund, The Gold Coast City Council, DCS Fund, the Beach Safety Equipment Fund and the Qld Governments Get Going program who all provided much needed funding towards our lifesaving equipment, community training and education programs and training courses over the past twelve months.

## Surf Lifesaving Report - Andrew McIntyre

There is one word to epitomise the past season...family.

Just as our own family has highs and lows, so did the 'green and white' family. Throughout the season, we were devastated by the loss of much loved members. However, despite the loss, the family came together and supported each other through adversity and difficulties. Old leaders guided, new leaders emerged, and together, we have grown stronger. When I see our current Nippers and Youth members, I am positive for our future.

When you reflect on the past season, there are so many members worthy of recognition. Firstly, thank you to our Patrol Captains for your commitment this season in leading and mentoring your patrol groups. The importance of our Patrol Captains in managing the beach and the position within the club that you hold is greatly respected and appreciated. Thank you to every member who volunteered their time in any capacity throughout the season. A single hour given to community service to ensure our beach remains fatality free is the core existence of our club and future. Thank you and congratulations to our competitive members for a successful season and for your commitment to attending patrols, training and succeeding in your individual pathways.

Finally, thank you for the support of four wonderful women, Alyson McIntyre (my wife) for being so patient, Carole Walle (Administrator) for all your hard work, Marsha Maynard (Team Manager) and Annie Owen (Vice-Club Captain, FA Officer)...we miss you.

A big thankyou to our lifesaving equipment sponsors Bendigo Bank and Oceanside Plumbing for your continued support and commitment to the local community.

As Club Captain, I hope that you will continue to patrol, compete and enjoy being part of the 'green and white' family in 2018/2019.

## Congratulations to our New Bronze Medallion Holders

Levi Ata	Jonah Berlowitz	Cole Drinnan	Sam Frost
Maia Garner	Eden Hogg	Joel Jackson	Ella Kingi
David Long	Hannah Lund	Ella Maclachlan	Lucy Makaea
Luther Maxwell	Toby Mayes	Brittani Neyman	Jamie Peterson
Tanisha Smith	Naithanial Thomson-Smith	Harrie Van Den Broek	Sebastian Younan

## Thank you to our 2017/2018 Patrol Captains

Grant Harrison	Lauren Quinlan	Mark Quinlan	Peter Nibbs
Tylah Dowker	Anne Owen	Werner Piehler	Sam Dick
Peter Harding	Anthony Cuic	Joshua Clouston	Patrick Trevor-Jones
Josh Brown/Guy Kinsey	Brett Ross	Andrew Pyke	Ryan Schmidt
Haidee Psaltis	Paul O'Shea		

### Vale- -John Munro

Over a thirty four year period on the Club committee, John Munro held many positions including Assistant Treasurer, Club Captain, Senior Vice President and Clubhouse Director. Most notably, John went on to be elected as President of the Currumbin Beach Surf Life Saving Club for ten seasons between 1989 and 1999. During this period Currumbin won the overall point score at the Australian Titles twice. John sat on the Supporters Club Committee from its formation up until this current season and was highly influential in creating and establishing this model which is still the major funding arm for our Surf Lifesaving Club up to this day. A legacy which will continue to live on and for which we will be forever grateful for. In recognition of his love for the Club and contributions to his beloved green and white family John was awarded Life Membership of the Club and was also made a life member of the SLSQ Point Danger Branch. R.I.P John you will be missed.

### Vale- -Anne Owen

Anne patrolled at Currumbin SLSC for a total of 17 years as an Active volunteer patroller. Anne held a number of positions within the Club including First Aid Officer from 2009– 2018, Social Director from 2013-2017 and Club Vice Captain for the past two seasons. In addition to this Anne was a Patrol Captain from 2008-2018 mentoring and leading our patrollers on the beach. Anne loved being involved in every aspect of the Club from leading our social activities to keeping the beach safe and also helping the surf sports team at major carnivals as an assistant team manager. R.I.P Anne you will be missed.

### Vale- -Bonnie Alchin

Bonnie Joined Currumbin SLSC in 1972 where she became involved as an official for the Club at junior carnivals, senior carnivals and the annual State and Australian Titles. Bonnie received her SLSA 40 year certificate for officiating long service in 2011. In recognition of her ongoing contribution to Currumbin SLSC Bonnie was awarded Life Membership of the nippers in 1981 and was made a Life Governor of the club in 2008. In addition to this Bonnie was awarded the SLSQ Andy Frizzell award for service to Junior Activities in 1999 and Life Membership of SLSQ Point Danger Branch in 2002. Off the beach Bonnie was an assistant at Club proficiency days for many years and sat on the Constitution Committee. R.I.P Bonnie you will be missed.

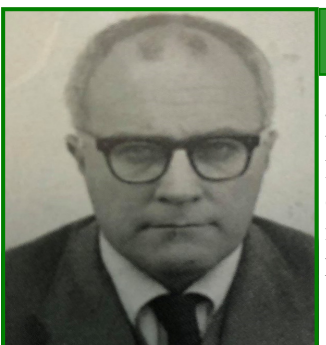

### Vale- -Tony Vitiello

Tony patrolled at Currumbin SLSC for three seasons after joining the Club in 2015. Tony was the Clubs Vice IRB Captain in 2015/2016 and provided countless hours of water safety for the Currumbin Nippers at Nipper days and junior activity carnivals helping the Club meet its competition eligibility requirements. Tony loved everything about the IRBs from patrols to racing and was always one of the first to put his hand up to help out at Club promotional days and fundraisers. R.I.P Tony you will be missed.

### Vale- -Bob Bray

Bob joined Currumbin SLSC in 1949 and was the Clubs Boat Captain for eight seasons from 1952 to 1960 as well as a boat sweep for both Junior and Senior crews. In 1953 Bob won the QLD Double Ski Championship with Robert Neumann and won the Point Danger Branch Senior Boat Race title in 1954/55. In addition to his major contributions on both beach patrols and in the competition arena Bob was a part of the crew who featured in a mass rescue off Currumbin Beach in the late 1950s. R.I.P Bob you will be missed.

### Vale- -John Jeffcoat

John (Panda) was a member of Currumbin SLSC for over 45 years. More recently members would remember John for his commitment and dedication to helping out at the annual house to house surf safe appeal and the Clubs AGM days. John was always the first person to arrive on collection day and the last to leave. In his early years John would drive the Brisbane based members down to Currumbin Beach each weekend so that they could undertake their lifesaving patrol duties and fundraising obligations. R.I.P John you will be missed.

## Supporters Club - Chris Kelly

It is again my pleasure to submit a report on behalf of the management and staff of the Currumbin Beach Vikings Supporters Club. I would like to take this opportunity to thank our valued management and staff for their outstanding efforts and performance. They are second to none in terms of their passion and professionalism with regard to servicing our members and guests. Congratulations to all staff for creating many experiences our patrons have both enjoyed and remembered.

We have returned in excess of \$800,000 back to our members in the way of discounts and membership promotions. Members are undoubtedly the foundation of the club and we as a team will strive to make Currumbin Beach Vikings as attractive to existing members and new members alike.

I would again like to acknowledge on behalf of the supporters club the outstanding result of our competitors at both the Queensland and Australian Surf Life Saving Titles. Once again Currumbin Vikings Surf Life Saving Club has maintained a position in the top five at both state and national competitions. The Supporters Club would also like to thank the patrol teams for again maintaining a safe beach environment for patrons.

The Supporters Club would also like to congratulate Currumbin Beach's own Summer Surf Girl Britt Brymer on an outstanding fundraising effort.

Special mention should be given to Michael Sullivan and the Supporters Club committee who have again guided the club in a positive direction. Their support has been unwavering and is much appreciated by myself, management and staff. The entire Supporters Club is looking forward to the planned upcoming renovation as the committee strive to make a great club even greater.

On behalf of the entire team we are looking forward to meeting the challenges of 2018/2019 striving towards improved service, standards and fiscal results.

## Junior Activities ~ Ben Cahill

What a great season for the mighty Currumbin Nippers club. At the start of the season we had 20 of our under 14's do their SRC and all went on to become patrolling members on our beach which was a fantastic result for the surf club.

We had some wonderful fundraising events with the best one being the afternoon at time zone in Coolangatta, a great time was had by kids and parents! Our Nippers Sundays went well with three points score days and it was great to see lots of members taking advantage of the club house after Nippers for a burger and drink. This is very important for us as a club, so the kids can make memories and parents socialize, which in turn helps make a good strong team!

We have a wonderful team behind the scenes too and our nippers sub committee put in a lot of work and really kept the club going. I won't mention the committee individually but your efforts this year have been greatly appreciated by the surf club and me in particular, without you all our great accomplishments as a club could not happen! Thank you.

As far as competition goes we couldn't have gone much better. The team started off with some great efforts in pool rescue including many Branch, Gold Coast, State and Australian titles. This was followed up by great results in the surf season with us once again winning the Gold Coast Titles and a massive Branch Titles victory!

We ended the season by going to state titles at Alexandra Headlands. Our kids started off great as usual with more wins early in 2km runs that had us up the top which was held through to Sunday morning like the last few years. Then on Sunday morning we started with the Bonnie and Col Alchin All Age Relay and the boys and girls absolutely smashed it! I didn't see a dry eye on the beach with this emotional win inspiring the rest of the team to do it for our late Life Member Bonnie! Practically every direction I looked and on the loud speaker the Green and White Currumbin cap was fighting on and usually in front! It truly was an unbelievable weekend of results and performances! So the mighty Vikings won the handicap points score as well as being crowned State Champions!

We are lucky to have the best coaches in the business. To Dan, Dave, Tim & Sam, we thank you! A big thanks also goes to our officials, IRB/water safety team and workforce taking tents, gear etc. to carnivals. Without your help we cannot attend the many carnivals through out the year and your efforts have been massive again! So to sum up the year we are building up a great team of kids to help bolster our senior ranks and patrol our beach. On a whole they are a great bunch of boys and girls (270 to be exact) who won't let us down in performance, service and Viking spirit! Finally a big thank you to the support of our major sponsor A Curtains & Blinds and our supporting sponsors PFD, Carrara Markets and Bendigo Bank.

## Surf Sports~ Marsha Maynard

This year the competitors had a lot to live up to after last year's great success, but as always when you wear the green and white you can achieve anything. This was my opening line from the 2012 Annual report. What has changed in the last six years is totally amazing. Our strategic plan and goals as a Surf Sports group has been achieved several times over.

This competitive season we achieved in numerous focus areas and saw growth in our teams in several arenas with our members striving as always to contribute to a happy, healthy and competitive team. We have an engaged and passionate group leading the Surf Sports committee who strive to work for the Surf Sports side of the club as a whole. Thank you to volunteers Britt Brymer, Murdoch Finch, Dana Dowker, Joe Fraser, Sandra Kelly and Chris Maynard whom continue to lead this space.

Our current competitors are coached and mentored by some of the most inspiring people. Huge thank you to Brett Robinson, Sam Dick, Michael King, Tim Peach, Chris Maynard, Brett Dowker, Kurt Wilson, Joe Fraser, Ben Elliott, Paul Davies and Matt Wildman for the endless hours of hard work and dedication to our members. Supporting our coaches and leaders in this team is also the passionate group of Team Managers and Officials. We cannot thank you enough for your time, enthusiasm and your love of our Vikings family.

I have watched all these Vikings this season and have learnt we are all there for one goal to help the Currumbin Surf Sports team achieve to be their best. I would like to acknowledge you all for gathering our Currumbin Vikings team together to produce the wonderful results we have had this season. I believe the Aussie Titles is the Pinnacle of the Surf Sports group in all arenas. It showcases all the months of hard training. The Individual results from these championships are listed in the following pages of the Annual report. Please have a browse.

My snapshot of the Currumbin competitive spirit came from these results across our campaign to Scarborough . We took a small crew compared to previous years but still managed to stand tall in all arenas earning a fifth overall placing in the club point score. In the under 14-15 area we cheered till we were horse as Zach king, Hugh Munro, Beau Meehan and Ellie Beer raced away with several medals. Our Masters flew the flag with only six competitors. Nadi Canning was outstanding placing or winning in every event she entered. Our Under 17's fielded a mighty team and young gun Sam Frost winning a sliver in the U17 Board Race. The Board riding was contested by our ever young Grant Frost who earned an impressive silver in the Open men's short board division. Our Beach focused Vikings continued to conquer and divide and brought the spoils home. Elizabeth Forsyth the pocket rocket achieved the first ever women's double of winning the Open women's beach flags and beach sprints. Elizabeth you are an amazing young lady. It was also the third consecutive year that our Open men won the beach relay. The Under 19 Boys tackled the water like champions taking out the U19 Men's Taplin well done Ky Kinsela, Joe Engel and Jy Timperley.

## Surf Sports Report continued

Our boat crews stood tall on the first day and came away with a 3rd in the boat relay. Some of the young crew had never raced at Aussies in boats before, well done team. The boats are such a tight knit group who continue to inspire the other sections of Surf Sports.

Open Men and women results leaped again to shine in the light with Prue Davies bringing home two Golds in the Individual Surf Race and the Rescue Tube Rescue with team mates Rachel Eddy, Chandler Searle and Hayley Cox it was exhilarating to watch as the four girls raced to the line for the rescue Tube rescue final! Our Open Men showed a strong showing across the Individual finals package in all events, and pulled it together with the help of under 19's Ky Kinsela and Joe Engel to bring home the Gold in the Taplin relay. Wow, all six of those boys never gave up and I'm sure there were many prayers sent from above to get them over that line. We last won this event 40 years ago. That medal will sit very high on the shelf of those competitors thank you, Hayden White, Jackson Maynard, Corey Fletcher Jayden Erskine, Joe Engel and Ky Kinsela for the outstanding achievement.

IRB racing is one of our winter Surf Sports competition focus areas and a few of our competitors cross over when summer finishes. As always green and white is constantly competitive in all these divisions, big thank you to Werner all the continuous work in this area.

Our Pool Rescue competitors toured to Adelaide last August to defend their Overall Club point score National title for the 4<sup>th</sup> consecutive year and continue their domination of the event. This facet saw several members selected to represent Australia and New Zealand National teams across the year at many international events. We also had Prue Davies set a New World Record in the woman's 200m Super Life Saver in Germany and fellow Australian Representative Matthew Davis set a World Record in the 100m Rescue Medley at the same event in Germany . This section continues to grow and provide a pathway from summer to winter involvement across the club.

This year we lost team members who contributed a lot to the surf sports team. May you Rest in Peace and thank you from your Vikings family Peter Neumann, Bonnie Alchin and Anne Owen. You are deeply missed.

Finally thank you to all of our sponsors, in particular PFD, Sirromet Winery, Carrara Markets and Orbit World Travel for your support of our major events and our naming boat crew sponsors ABP Group, CMBM, Minc and Trimble.

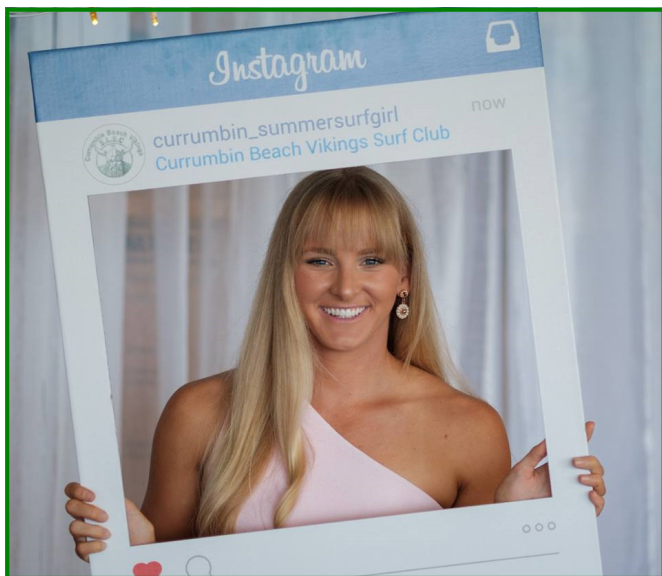

## The Social side of our Club

On the back of the success of our Friday Night Active Member nights we decided to offer an additional social function each month for our active members, incorporating a Sunday Active Members afternoon onto the calendar for members to mix socially at the Supporters Club, meet other members from different sections and patrols and enjoy the Club in its whole. The response to these days is highly encouraging and it is always pleasing to see a wide cross section of members attending these events and enjoying the social fabric of the Club. Thank you to our Social Director Karley Lawler for driving these nights as well as our sponsors on the evening for donating prizes including Sirromet Winery, Edge Performance, Annabel Trends and the Currumbin Supporters Club.

For the first time in many years the club had a representative take part in the SLSQ Summer Surf Girl Program. A big congratulations to Britt Brymer who assisted the club with its fundraising for the season, helping the Club fundraise in excess of \$50,000 for our lifesaving program as well as bringing back many of our favourite social activities from past seasons and some new initiatives which will continue to appear on the clubs annual social calendar.

Britt held numerous club social activities and fundraisers throughout the season including a golf day, barefoot bowls day and the ever popular and well run women on the sand fundraiser and mothers day high tea. The ever popular trivia night made a return to the Club Calendar attracting well over 200 guests and raising over \$10,000 on the evening. Britts ethos for the season was 'one club' and there was barely a weekend throughout the year where Britt wasn't running a fundraiser, social event or youth camp in addition to her patrols and racing commitments. We should be very proud of her efforts representing the Club this season.

## Treasurer - Paul O'Shea

The audited financial statements of Currumbin Beach Vikings Surf Lifesaving Club Inc for the year ended 30 April 2018 are presented later in this Report. I can attest that all expenditure has been made in the best interests of the club and its members. The club continues to remain in a healthy fiscal position.

Once again, I would like to thank the club CEO (Michael Sullivan), administrator (Carole Walle) and accounts administrator (Alana Welch) who have been instrumental in assisting with accounts and record keeping throughout the year. We have again had a successful year sourcing Grants and this continues to assist us in replacing gear and equipment for lifesaving and Nippers as well as improving facilities for all.

I sincerely thank the sponsors of our Club, without their support the club would find it difficult to fulfil its obligations and I hope that all club members show their full support towards these businesses' that support us. Also, I place on record my appreciation for the staff and committee of our Supporters Club for their continued success in achieving excellent profits year on year. In the coming months works are scheduled for much needed building repair and renovation as well as information technology upgrades, whilst exciting, we apologise for any inconvenience this may cause you, and thank you for your patience during this time.
