Presidents Report

Ben Munro

The theme of this year's President's report is quite simply one of profound gratitude. I feel such a sense of pride and humility to have again this season witnessed the passion, pride and community spirit which has been displayed in countless ways by my Vikings. I am grateful for the sheer hard work and determination of our Supporter's Association staff in an uncertain and ever-changing landscape. Ours is a history, which can celebrate many great teams, but I believe that this season's Vikings Supporters team should be forever recognised as one of our most valuable. Inspirationally lead by General Manager Chris Kelly and his team of Duty Managers, our staff produced one of the greatest comebacks of all time, literally breathing financial life back into our Club after COVID's dark winter. Our beloved patrons returned to the little club on the rock, in no small part due to the irresistible warmth and care shown by our Vikings staff, the quality of experience always on offer and the delicious food. Thank you to each and every one of you.

I am grateful to our patrolling members for once again ensuring the safety of every person attending to enjoy our beautiful beach. Our active member numbers decreased slightly this year, but what increased exponentially was a renewed focus on excellence in patrolling and a culture underpinned by always doing the right thing. This included a renewed recognition, particularly amongst our younger members, that our first and most important function is to honour our highest commitment, which is to prevent tragedy on our beach. To the Patrol Captains and the "wise old heads" who keep lighting the way for those who follow, thank you. This season beyond all others demonstrated Andrew McIntyre's incalculable worth as Club Captain. Andrew suffered a series of significant health concerns in the face of which he remained, as always, our rock and steadying influence. Andrew's selfless dedication to the most difficult position to fulfil within our structure is always something to behold, but this year, it was superhuman. Like any great partnership, it was brilliant to witness Pat Trevor-Jones, our Vice Captain, consistently have Andrew's back when needed throughout the Season.

I am grateful to all of our members who so willingly said "yes" when requested to step up and qualify for new awards this year. Covid-19 presented numerous challenges in this space, but really was no match for our CTO, Courtney Taylor, who managed our skills progression in her usual expert fashion. Courtney's enthusiasm for training is undeniable and last year she balanced these commitments with the many hours required to proudly represent the Vikings as our representative at the Summer Surf Girl. Courtney placed second overall. I am committed to fostering a culture which sees our female members empowered to achieve their dreams in lifesaving. What a role model they have in Courtney. Werner Piehler and Luke Smith have trained more members for their IRB Drivers and Crew Members awards this season than any other I can remember. The wealth of knowledge these two offer in this arena is second to none. This new wave of qualified drivers and crewies sets us up brilliantly for the future.

I am grateful to Kurt Wilson, our Director of Surf Sports, who has done so much this season to just "get it done". Kurt performed multiple roles this year, which is a testament to the breadth of his skill set, his formidable experience in surf sports and his commitment to the Vikings. So much of what Kurt does for us goes unseen. He is the first on pool deck in the wee hours of the morning and is often the last one to leave carnivals at the end of the day after loading the tents on the trailer. Make no mistake, Kurt is an excellent surf sports coach in his own right, and while he is the last person to engage in self-promotion, his ongoing involvement with SLSA as Head Coach speaks volumes about why we are so lucky at the Vikings to have him.

On the subject of good fortune, the coaching staff we were lucky enough to have this Season made such a difference to the lives, and the results, of our athletes. Thank you to Zane Holmes, Sam Dick, Dave Bellue and Jeremy Cotter for your care, expertise and guidance. Intense training never looked like so much fun. My thanks also goes to our Boat Captain, David Dwight, and to all of our brilliant boat sweeps. I have no doubt that we have regained our mantle as one of the best surf boat Clubs in Australia, which reflects the sheer hard work and commitment of our wonderful boaties and the countless hours dedicated by those who steer and urge them forward. Special mention to Abbey Holyman who this year became the Vikings' first ever qualified female surf boat sweep. To our surf sports athletes, thank you for the way you have represented the green and white this year. While some sections diminished in size, I witnessed a renaissance of club spirit this season, which spread like a fire. From our senior competitors all the way down to our mighty nippers, it was so good to see our athletes giving everything for the cap. More than that, I am grateful for the support, care and encouragement each section offered to the others. This was on show at The Aussies. Whether it was the boatie's booming encouragement of our beachies at the night finals, or the conglomeration of members of all kinds doing the "Vikings Clap" before the Lifesaver Relay final, there was no doubt we were all in it together as one Club. I am excited by the growth this season of our Lifesaving Competition team and the IRB racing squad. Watch this space – I think there is something special building here.

Presidents Report

Ben Munro

No tribute to our athletes can be complete without acknowledging our officials, without whom we simply could not compete. Thank you for giving up your time to allow our athletes to do what they love to do. Thank you too must go to all of the water safety and IRB drivers and crewies who assist at surf carnivals. It would be so much easier to sit in warm comfort watching the action from the tent. Thank you for giving more to keep our athletes safe while they race.

Our Team Manager, Marsha Maynard, has been the glue which has bound together a generation of Vikings athletes. Marsha's passion for all things green and white is in her DNA. Her experience and guidance at carnivals has stood us in good stead throughout her 11 years in the role. I understand that Marsha is "passing the baton" over next season. Marsha – thank you sincerely for everything you have done for our athletes for so long. Enjoy your newfound freedom in your caravan on the weekends. You surely deserve it.

To the mighty Currumbin Vikings nippers – what can I say but... AAARGH! I have been so inspired by the images captured so insightfully by Rachel Clark this year. The smiles say it all. I am grateful to our smallest members for reminding all of us that Vikings never forget to have fun! That kind of positive attitude flows directly from the Age Managers who give up their Sunday mornings to create a magical experience for our kids. They may not realise it, but these Mums and Dads are literally helping these young members discover the lifelong rewards which come from giving something to a community cause bigger than themselves. For that reason, I am so pleased about the redevelopment of the Nippers Clubhouse next season. More than a brand-new facility for the Nippers, this will be a Community Centre for the entire Currumbin area and beyond. The blueprint drawn up for us 100 years ago was to give something back and help our community. The Currumbin Community Centre builds on this important legacy. We have been so lucky to receive a significant government grant to achieve this goal. In how many ways can we pay this good fortune forward to help others and change lives? Thank you to our JAC President Sean Winter and to the entire Junior Activities Committee – you have had a very successful year. The Nippers are our future, and the future looks bright indeed.

To the members of our Surf Lifesaving Club Council and the Supporter's Association Management Committee – thank you for the hours of dedication to attend the early meetings, the late meetings, the impromptu meetings and everything in between. Thank you to the patient families of the committee members for allowing them to offer their time and skills to assist the Club. I am confident in our strategic direction and indebted to the Committee Members for their capacity to adapt, to think strategically and to act decisively in these uncertain times. I record my specific appreciation for the significant contribution by Barry Woodger, Secretary of the Supporters Association, for his work towards improving our governance standards, assisting us to create, rewrite, or to upgrade a myriad of policies and procedures for our business operations and for implementing a workplace health and safety regime. Special recognition must go to our Treasurer for the last 6 seasons Paul O'Shea. I do not know where we would have been without Paul's business acumen and decisive direction, particularly as COVID-19 struck. As a Club, we are in a financially secure position and well-placed to prosper because of Paul's stewardship. Paul, the Vikings will be forever grateful.

To our quiet achiever, Carole Walle – thank you for everything you do in your beautiful, unassuming way. I always feel such confidence that there is no issue which could possibly arise in our operations which you cannot effortlessly help us solve.

To our Club CEO, Michael Sullivan – thank you for the way in which you have our back, no matter what, on a daily basis. The support you have provided to me, and to our various Committees is invaluable. Your ongoing dedication, unique insight and boundless energy has seen us prosper where others have floundered. I cannot wait to see what you will achieve with us – and for us – in the next chapter.

I conclude this report with the observation that the coming season will again be one of change and growth for our great Club. We remain committed to investing in leadership programs and cultural growth. I am looking forward to introducing our OneCBV leadership program early next season, which is the culmination of the work we have done with Leading Teams and a collaboration of the input received regarding our culture from all of the diverse sections of the Club. The program will set a solid platform for us to identify, foster and support the next generation of Vikings leaders, always with the Vikings way in mind. We are one Club. With one mighty future.

CEO Report

Michael Sullivan

The 2020/2021 season has been one of progress and a season that will be very important in the ongoing history of this great Club. I'm pleased to report that over the course of the season the Club once again delivered on its core mission of providing excellence in Surf Life Saving services to Currumbin Beach through our volunteer patrols and our member training and education programs. Our active volunteers delivered 6,322 volunteer hours on the beach to ensure 53,406 beach patrons visiting Currumbin Beach were provided with a safe aquatic environment. Our active members gained 952 new lifesaving awards to provide depth in our lifesaving patrols and ensure we are able to provide well resourced, sustainable and skilled volunteer surf lifesaving patrols into the future. Overall membership numbers increased and our junior membership increased by 21 per cent.

Firstly and most importantly I would like to thank our members for the continued support and patience you have shown throughout the year. Our members are the lifeblood of this Club and without whom we would not exist. The delivery of our programs and the execution of our strategy wouldn't be possible without your collective efforts and the commitment and dedication you selflessly provide to this Club in every aspect of its operation. To each and every one of our volunteers I thank you for your selfless commitment to our beach operations and lifesaving services. The Covid-19 pandemic is arguably the greatest challenge our Clubs have faced. We were buoyed by the enormous amount of support we received from you all both on and off the beach which was comforting for our staff and Club Council who, like many of you, were facing difficult times. While we are not through this pandemic just yet, hopefully (at the time of writing) we are well on our way, and we look forward to seeing our Clubs, services and events operating at full capacity again in the near future.

I would like to sincerely thank our Club Council who have shown incredible leadership through the most challenging period in recent history, which included making some extremely difficult decisions to ensure the future of the entire Club. I would like to thank our entire Club Council for their support throughout the season. Our Club Council members give generously of their time, their skillsets and their advice and we are a better Club for it. This season we farewell Marsha Maynard and Sean Winter from the roles of Team Manager and JAC Chairperson on the Club Council and acknowledge their valuable contribution to the Club. Thank you for the dedication you have all shown to your roles and the care, compassion and support you have provided to myself, our staff and our members as part of your role. I would like to thank our wonderful Club staff comprising both our Surf Lifesaving Club and our Supporters Association. We are fortunate to have an incredible management team and staffing group that are committed to supporting our members, sponsors and supporters.

The support from funding bodies has been instrumental over the last 12 months. I would like to particularly thank the Queensland Government for their support through the Gambling Community Benefit Fund, the Active Infrastructure Fund and the Small Business Adaptation Grant. At a local government level we had some valued support from the Gold Coast City Council through their Community Hardship and Community Support Programs. In addition to this government funding support I would also like to thank Sunland and the RACQ Foundation for their support over the season and SLSQ and SLSA for the support provided through the Lifesaving Development Fund and Beach Safety Equipment Fund. The 2020 QLD election saw a \$2million commitment from both parties towards the redevelopment of our Currumbin Nipper Club and the opportunity to expand this building into a community centre. The redevelopment of this facility has been over 5 years in the making so to see this project become one step closer to reality is exciting for the Club, our nippers and also the Currumbin Community as a whole.

To our official Club sponsors, this last 12 months have not been easy for you either. The strength of a Club is built on the foundations of its partners and community support. Thank you for your ongoing commitment to the Currumbin Beach Vikings Surf Life Saving Club in these tough times. Your support we simply couldn't do without. To our members, I really do hope that you take the opportunity where it arises to help support our sponsors in return and show our appreciation for the support they provide our Club and its members.

The last 12 months have again reiterated to me why Currumbin Beach Vikings Surf Life Saving Club is such a special place and why it's held so dear to heart for everyone involved. I'm proud of our achievements this year and the way we have united together in a period of adversity to overcome the challenges that we have been presented. I will continue to be motivated by the opportunities for this great Club and look forward to conquering new challenges and continuing to grow in future seasons.

Finance Report

Paul O'shea

The audited financial statements of Currumbin Beach Vikings Surf Lifesaving Club Inc for the year ended 30 April 2021 are presented later in this report. I can attest that all expenditure has been made in the best interests of the Club and its members.

The Club's balance sheet is strong with good working capital and provisioned expense balances. This is being maintained by a continued strict focus on current asset and liability management supported by expense minimisation where possible.

Once again, I would like to thank the Club CEO (Michael Sullivan), Administrator (Carole Walle) and accounts administrator(s) (Alana Welch & Vanessa Whan) who were instrumental in assisting with accounts and record keeping throughout the year.

Michael (our CEO), should be singled out for his tireless work on pursuing government grants, this year saw the remarkable feat (and a few years' worth of effort) of securing the State Government's grant of 2 Million dollars to build a new Nipper Club building, all Club members should be tremendously grateful and appreciative of his efforts.

The financial statements highlight the very high cost of running a modern SLSC and our Club cannot survive financially without the generous support of sponsors and a successful Supporters' Club.

I sincerely thank the sponsors of our Club, without their support the club would find it difficult to fulfil its obligations and I hope that all Club members show their full support towards these businesses' that support us. Also, I place on record my appreciation and admiration for the staff and committee of our Supporters Club for their success in achieving a profit in year like no other in our history books.

It has been challenging year for the Club, but we have all managed to pull together to ensure a successful year in comradery, competition wise and as a presence on the beach providing our essential community service.

We Proudly
Acknowledge

Lifesaving Report

Andrew McIntyre

While each season brings its own challenges and success, the ability to overcome adversity and succeed rests on the shoulders of those that raise their hand. Our members, have again raised their hand to support the safety of our community, attending 13 incidents, 131 first aid treatments and 499 preventative actions across 53, 406 visitors. On behalf of our Surf Lifesaving Committee, thank you for your commitment, dedication and vigilance in achieving another successful season and ensuring zero preventable deaths on our beach.

The Surf Lifesaving Committee has worked towards improving our administrative processes, communications and patrol equipment. The adoption of Facebook, Microsoft Teams, Zoom and a cloud-based SMS system has greatly improved our ability to communicate, plan and respond to fulfil our core obligations. We have also continued to improve our patrol equipment with the purchase of capital assets including a new IRB, beach SSV, training defibrillators and manikins.

While new equipment is necessary, it is vital that we acknowledge and recognise the contribution of our members. In appreciation for our volunteers, we have introduced the Vikings Recognition Program. This program aims to recognise and celebrate the broad range of ways in which our members contribute towards supporting our club and surf lifesaving. It is pleasing to report, that a number of our members have been nominated for the National Medal through The Australian honours and awards system.

Finally, I wish to thank Pat Trevor-Jones (Vice Club Captain) for his valued support, candour and leadership throughout the year. I would also like to thank our patrol captains and officers, who have outstandingly led the beach and managed their patrol groups and areas of responsibility. Thank you to every member who volunteered their time, gained an award or helped in any capacity when help was needed. Through understanding common goals and shared values, the green and white family is stronger than ever.

Training & Education Report

Courtney Taylor

In season 2020/2021 the focus of the training and education section was to ensure that the patrolling members had the necessary skill set for adherence to the SLSQ patrol service contract. The committee identified that it was important for the Club to provide relevant training opportunities to the members that not only benefit the Club but give the members nationally recognised competencies that can be used externally to surf lifesaving. The training calendar was released pre season to assist with gaining these awards.

One of the key focuses was reducing workloads of our trainers by introducing team run Bronze Medallion courses. A massive thank you to all trainers that came on board to assist with running these courses.

2019/20 saw a push in Emergency care awards, making it a hard one to follow. However, even though there was a decrease in First Aid awards gained, we saw a significant increase in Advanced Resuscitation Techniques award gained.

Our dedicated IRB trainers oversaw an increase in IRB awards with incredible feedback from participants on the skill and enjoyment of the courses.

It is a credit to our trainers to see another year of new recruits and our juniors coming through to gain to these awards.

Congratulations to all members that achieved new awards this season and welcome to our new Bronze and SRC members.

Thank you to the Club trainers, assessors and content experts that make up our education team. The achievements in the education section of the Club could not have been achieved without your dedication and commitment. Another key focus of the Club moving forward will be identifying future trainers and assessors to assist the Club with its ever increasing educational needs.

Supporters Club Report

Chris Kelly

Submitting a summary of 2020/2021 is very hard to articulate. I have never in 30 years of hospitality management witnessed its equal.

We started the year with a venue that was closed and 53 staff that had been stood down. Some staff however continued to work throughout this period and special mention should be given to Alana Welch for her unrelenting commitment over this period, as well as the many staff that helped out and volunteered during working bees.

Whilst in the shutdown phase we took the opportunity to complete stage one renovation works that included a complete rewire of the first and second floors, new ceiling, air-conditioning and a new cold room. To complete these works outside of the lockdown would have resulted in extended periods of downtime so through the vision of our management committee we turned one negative into positive.

I would like to thank our valued staff for their effort prior to, during and after our reopening. Countless hours went into our reopen. Covid safe plans had to be developed and adopted, floor layouts adjusted to meet covid safe criteria, development of reduced menu's, introduction of table service, extensive and continued cleaning, additional signage, gaming machine movements, recommencement of accounts and services, and the list goes on. Special mention to Vanessa Whan, Doug Henwood, Stacey Johnson, Tamar Tane & Adam Irwin for their dedication during this time.

We progressed throughout the year from being closed, to reopening with a venue capped at 60, then onto a cap of 120 patrons, onto our current limit (venue capacity) of 240 patrons. With limited income being injected into the business, several expenses and services had to be cut. With no contract cleaning and window cleaning our staff went above and beyond and cleaned the venue each and every day along with many other additional tasks.

However, through the resilience and adaptability of our team we have come out the other side. While we are still not at venue capacity due to covid restrictions, consumer confidence and a lack of international travel, we have remained positive and continue to rebuild on our offer.

I would like to take this opportunity to thank Michael and the Management Committee for their unwavering support once again.

I would also like to thank all of our valued team members for their resilience, adaptability and effort throughout a most turbulent time. They really are second to none and should be commended for their efforts.

I would also like to acknowledge the retirement of Sue Sheppard. Sue's commitment and dedication to the Currumbin Beach Vikings spanned for over 27 years. Sue you are much appreciated by so many and we thank you.

Our members are undoubtedly the foundation of our Club and I thank them for their patience and understanding for the year gone.

We are all looking forward to a less disruptive year in 2021/2022 and are striving to continue rebuilding our great Club.

Junior Activities Report

Sean Winter

It is my pleasure to write the 2021 Junior Activities report sharing some of the activities and successes of the past year. Firstly I must thank our Nipper committee, age managers, Club officials, water safety and our team of dedicated volunteers often in the background who keep our sport functioning ensuring our nippers can enjoy surf sports at its various levels.

With membership of 328 nippers up a massive 21% from last year, our Sunday program was very active down on the beach with our nippers having fun gaining the various awards relevant to each age level. We had 21 members officiate at carnivals, and 14 members do water safety during the season. Our Club competed at a number of events this year with some amazing results in the overall point score.

The coaching team of Jeremy Cotter (water), Dave Bellue (water), Sam Dick (beach) and Kurt Wilson (pool rescue) have done a fantastic job again this season preparing our nippers ready for competition. The results at carnivals and number of members selected for representative teams are testament to the high level of coaching at Currumbin.

The following members made the Point Danger Branch Team. Congratulations to Vern Winter, Jonah Saywell, Aleah Stringer, Savannah Murdocca, Kailee Parmenter, Herb Winter, Jay Hyland, Riley Brennan and Jack Stringer. The Club had two members selected in the QLD youth pool rescue team. Congratulations to Herb Winter and Riley Brennan. Furthermore we had two members selected in the Qld youth surf team. Congratulations to Vern Winter and Riley Brennan.

Our core business in surf lifesaving is saving people. We do this by volunteering on patrols to provide a safe supervised flagged swimming area at the beach. Training of our U14 in their Surf Rescue Certificate, which is the precursor to the Bronze Medallion, is the culmination of their journey in nippers and I am thrilled to say we had six members gain that award this year. Whenever I walked past that group on patrol, I was pleased to see the smiling faces of nippers who had grown in confidence, ability, willingness to learn and give back to the community, which is an attribute that will grow them into fine young citizens.

Junior Activities can be a very rewarding experience for the whole family. Not only do the children learn important beach and water skills and enjoy friendships that come with belonging to a club, their parents can also gain valuable knowledge and discover personal satisfaction in participating. Surf lifesaving is one of the few sports parents can join in the fun on the beach by becoming an official and getting to help out right alongside their children. It makes me proud to be a Viking seeing the children progress from U6 through U15 gaining their Bronze Medallion and then doing patrols on the beach. The friendships developed at nippers into the senior club will last a lifetime and encourage long-term involvement with Currumbin SLSC.

We held pie drives and sausage sizzles at Swell festival and Anzac Day raising money for state competitors. The pizza nights and debriefs after each carnival were a favourite for both competitors and parents. With a new clubhouse on the horizon, the Nippers Club is in the best fiscal shape it has been in for a long time. In addition, I want to thank our sponsors Bendigo Bank, BIS Cosgrove and 7 News Gold Coast.

The success the kids have experienced does not just happen. I would like to acknowledge the great team that works tirelessly behind the scenes to make it all possible. Kurt Wilson our Director of Surf Sports, Surf Life Saving Club Council President, Ben Munro and the Club Council members for their support that has been greatly appreciated.

Finally yet importantly Michael Sullivan our CEO who does a mountain of work to enable this all to happen. He has been instrumental in driving the planning and funding for the anticipated rebuild of the Nipper Club, which will be a phenomenal outcome for the community and the Surf Club alike.

Surf Sports Report

Kurt Wilson

I am pleased to present the Surf Sports report to the Currumbin Beach Vikings membership covering our achievements both on and off the water in the 2020-2021 season.

2020 was certainly the toughest year we have ever faced as a Surf Sports section and I'm pleased to say that we weathered the storm and came out the other side stronger than ever. A huge thanks goes to our volunteers, loyal membership base, sponsors & supporters, and our professional, passionate & dedicated coaching team and management committee who have been unflinching in their tireless support to get us through. Our staff taking on even more workload as COVID requirements and Government obligations required out of the box thinking to ensure our club continued to operate and provided beneficial and meaningful outputs for our athletes and volunteers both on and off the water.

A meritorious mention must go to our current Surf Sports Committee members headed by Team Manager Marsha Maynard who have worked tirelessly over the last 12 months to continue to maintain the highest standard that has been set in the management of our Surf Sports section and for having the courage to think differently and embrace a culture that at times requires a shift in thinking, our committee made huge inroads in making new members, athletes and families in our community feel welcome while providing a safe and positive environment where anyone can come to participate and enjoy their chosen Surf Sports area and the challenge of striving to achieve their goals.

As a Club in a small Community we would not survive without the commitment of committee members, team managers and volunteer lifesavers and officials who help week in & week out, rain, hail or shine to make our section run smoothly. I would like to acknowledge our Officials Captain, Ray Freddy Fein who worked tirelessly leading the officials development and pathway space and kicked some major strategic goals in new official development this season since taking on the committee position last July.

It's a real credit to our coaching staff and sweeps that in a year of the unknown and with such a changing landscape that our athletes performed outstandingly in all major events from Nippers to the Pool Rescue Championships to the ASRL to Branch, State & Aussies to the Nutri-Grain Iron series and everything in between. We were once again a true force to be reckoned with in the competition arena across swimming events, board events, ski events, iron events, our swiftly developing IRB competition section lead by our very talented coaches Werner Piehler and Luke Smith and of course our super dominant boat section under the guidance of boat Captain David Dwight with renowned sweeps Matt Wildman, Lyle Clark, up and coming sweeps Billy Psaltis and Abbey Holyman and veterans Steve Purcell & Glenn Williams, our pocket rockets Elizabeth Forsyth and Chelsea Lane in the beach flags pit going 1st & 2nd in the Aussies flags final and lastly but by no means least the reigniting of our powerhouse surf rescue section superbly lead by team manager and surf rescue captain Sharon Brennan and coached by Paul O'Shea, to have several Australian podiums come out of this section once again is a real throwback for our club and something we are extremely proud of.

I'd like to make a special mention to all our athletes this year. Nothing comes easy when you're an athlete and this year nothing was easy right from the start, With the cancellation of several domestic and major international events to a change in coaching staff to friends leaving the club to new friends joining the club the 2020-2021 season was definitely one for the record books! I'm very proud of the group of people we have involved across all the sections of our club, who are here for the right reasons, who are here to achieve something special and who add huge value to our culture across the organisation. A big thanks goes out to our sectional ambassadors Jackson Maynard, Ben Carberry, Hayden White, Jacob Loughnan, Elizabeth Forsyth, Miranda Goodwin, Kirsty Higgison and Kieran Gordon who have championed a culture of the way we do things at the Vikings and made it clear what we want to achieve in each chosen area and the possibilities for our membership within their space these role models and leaders across each section assisted us in providing distinct sequential pathways for our younger generations and I'm so thankful for the work and leadership they provided, they are all proud Vikings and we appreciate everything they do.

This season we had Jeremy Cotter and Dave Bellue lay the foundation for the future of our club with the outstanding facilitation of their nipper coaching roles who provided a program that is fun, engaging and challenging for our Nippers, I must give thanks for the huge commitment of these two coaches and say that the future is looking bright. In the senior ranks we had the privilege to have Sam Dick step up to the role of Beach Coach leveraging his huge knowledge base and almost lifelong experience in the section delivering a structured program from U11's - Opens, Anyone that knows Sam, knows he bleeds green and white and his love, loyalty and passion for our club is hugely infectious to all those lucky enough to be under his expert tutelage. Sam also took on the role of Beach Captain and guided the Surf Sports committee outstandingly in that facet. I can't wait to see what unfolds having Sam leading the beach section into the future and the development of our crew.

Surf Sports Report

Kurt Wilson

I must also give special mention to assistant coach Zane Holmes who when times were tough mid covid came back to our club, rolled up his sleeves and took on a coaching role and provided sound leadership, knowledge and experience to a young crew of aspiring cubbies. Zane is a huge asset for us in this group and I can't wait to see the growth and development of our next generation of young ski paddlers this coming season.

Social functions were a real challenge this season but once we were allowed to do things as a group everything we ran was superbly attended by our athletes and supporters again showing our sound culture and we thank our social organizers for their new ideas and their willingness to make these opportunities available for our surf sports membership.

I'd like to make my last special mention to Marsha Maynard, I can not thank Marsha enough for her continued support over the last 11 years as Team Manager which has helped our competitive membership immeasurably and also our assistant team managers grow in confidence and ability. Marsha's leadership skills makes her the perfect person to manage our team, even with our diverse backgrounds and unique Viking spirited crew, Marsha makes it look easy, even though I know how challenging it is at times especially in this last year we've had. I'm proud to have learned and seen others learn some of those skills from Marsha. For those that don't know this is Marsha's last season as Team Manger, Words can neither qualify nor quantify how helpful Marsha's guidance and advice has been and how her fiercely loyal, immensely loving and deep passion has truly touched generations across the surf sports landscape within our club. I am as many others are forever grateful for Marsha's support. Marsha's leadership and advice has helped shape how our section looks and feels and has set a pathway that will stand the test of time. To anyone I have missed, I thank you all for being a Viking and your contribution over the year as our club moves towards a super positive and exciting direction in the 2021 -2022 season.
