

Curumbin Beach Vikings Surf Life Saving Club Inc. Equipment Storage Policy

Policy Register Number: CSLSC1.28

Original Issue Date: 21st August 2024
Approved By: Club Council
Approved on: 21st August 2024
Scheduled Review date: 19th August 2026

Purpose:

This policy outlines opportunities available to members to store their personal equipment - skis and boards - at the club during season.

Scope:

Curumbin SLSC has limited storage available to Members to store personal equipment - skis and boards. In order to store equipment, applicants must be financial and patrolling or competing Members.

Members are consulted annually prior to season commencement to express interest to apply for equipment storage at the Club. Storage allocation is solely at the discretion of the Club.

Members should note the following:

- Approval and allocation of equipment storage will be based on factors such as attendance at training, performance in carnivals, Club spirit and volunteerism.
- All equipment is stored at the Members' own risk. The Club will not be liable for any loss or damage. Members are encouraged to use additional measures to ensure their equipment is stored securely.
- Members must wash their equipment after each use prior to storing it in the Club.
- Members must ensure the Clubhouse is secured at all times during and after accessing their equipment.
- The Club retains the right to request Members to claim and remove their equipment at any time. If Member equipment is not claimed within a reasonable timeframe, the Club retains the right to remove and dispose of any equipment.
- The Gear & Equipment Officer is responsible for approving and allocating storage space and will consult with the Surf Sports Team Manager and Lead Coach as required.
