OUR MISSION

To provide pathways, facilities and resources for all members to achieve their Surf Lifesaving and Surf Sport goals whilst ensuring the long term financial and operational viability of Currumbin Vikings Surf Life Saving Club Inc.

OUR VALUES

Safety

Provide a safe aquatic environment for patrons at Currumbin Beach

Respect

Uphold the traditions and values of our Club and Surf Lifesaving

Improvement

Continuously improve our services and our service delivery

Pride

Cherish our history. It's in our Club, our people, our work and the green and white cap

Responsibility

Operate with accountability, equity and integrity

VALE

In Loving Memory

Edward 'Ted' Carey

Sue Shepherd

Lennard Vidgen

Kaye Power

The Members of the Currumbin Beach Vikings Surf Life Saving Club Inc. would like to extend our sympathy to the families of our Club Members and those from the wider surf lifesaving movement who have lost loved ones during the past season.

May they Rest in Peace.

Edward 'Ted' Carey Currumbin Beach Vikings' Club Patron 1 August 1937 - 24 February 2024

This season, the Vikings lost our beloved Club Patron, Ted Carey.

Ted held the position of Club Patron since the 2016/2017 season and was a passionate supporter of both the Surf Life Saving Club and the Supporters' Association. Ted's experience as a businessman and publican was valuable to us all as we navigated the difficult post-Covid 19 period and the changing landscape of the Club industry.

Ted was previously a member of the Club Executive Committee holding the position of Secretary from 1959/1960 until the 1963/1964 season.

Despite living in the country town of Clifton, Ted was dedicated to the Vikings and his position as Patron. He regularly made the trip to Currumbin to participate in social events including the Old Boys' lunch, the annual Vintage Vikings afternoon and the Annual Dinner.

Ted was the epitome of a gentleman and a great friend to so many within the Vikings and in the wider community. He always had a kind word, a cheeky quip and time for one more beer with a mate.

If there's one person who effortlessly lived the Vikings Way values, it was Ted Carey.

We say thank you to Ted for his service and we will continue to remember him now and into the future.

This season we introduced a new perpetual award, the Ted Carey Volunteer of the Year award which will continue to honour Ted's legacy with the Vikings and is a fitting way to commemorate a great man who will be sorely missed by so many.

PRESIDENT'S REPORT

John Brennan OAM

The 2023/24 season was another busy yet successful year for the Currumbin Beach Vikings Surf Life Saving Club, and I am pleased to present this report reflecting on some of our achievements and challenges. I would like to express my sincere gratitude to all our members, whose remarkable efforts have been instrumental in the continued success and growth of our Club. Over the past 12 months, we have strengthened our Vikings values and remained dedicated to achieving our strategic goals and key priorities.

This season, we were privileged to operate out of our new Junior Activities and Community Centre, a multi-million-dollar facility that has finally come to fruition. It was wonderful to see our Nippers return to this state-of-the-art venue, alongside the launch of Vika Events and Kinship Café, both essential components of the Currumbin Beach Vikings Supporters Club.

“Over the past 12 months we have strengthened our Vikings values...”

I extend my sincere gratitude to all levels of Government - City of Gold Coast, Queensland Government and Federal Government, and all our sponsors for their support this season. Your financial contributions have been invaluable, supporting various aspects of our Club, from the new building to essential patrolling equipment. Additionally, I would like to acknowledge the efforts of Club Treasurer Robert Dunlop in supporting and driving the Qld Lifesavers Appeal in 2023, which provided a substantial financial boost for the Club. Below is a summary report on the key areas within the Club.

Lifesaving and Education

This season marked the beginning of Peter Harding's tenure as Club Captain. Peter has worked diligently in his role, adeptly learning the responsibilities whilst being supported by his lifesaving committee to ensure that all patrol obligations were met. Our dedicated patrolling members have tirelessly completed 7,690.11 beach patrol hours, continuously ensuring the safety of our community and visitors from September to May. We extend our gratitude to all the Patrol Captains for their unwavering commitment and outstanding service throughout the 2023-24 season.

Throughout the season, we had a total of 55,000+ beachgoers. Our members conducted 832 preventative actions, responded to 54 first aid cases, and carried out 4 rescues. Our Chief Training Officer – Abbey Holyman and her team of trainers and assessors worked tirelessly to enhance our patrol strength, resulting in the certification of 41 new Bronzies, 19 SRC awardees, 36 new First Aiders, 7 ART awardees, 4 new IRB Drivers and 5 Crewies. With the implementation of the Axcelerate online system in September, our trainers were met with some early challenges. I congratulate Abbey and her team on their ability to manage the teething issues and having a successful season in education and training.

With thanks to the support of the Queensland Government and Community Bank Tugun, we began the season with a brand new SSV to support our patrol operations, along with new rescue boards, radios, and other equipment to ensure we are rescue ready.

I would also like to extend my congratulations to our eight members who were honoured with Australian Honours by receiving the National Service Medal this season: Grant Harrison, Grant Epple, Peter Nibbs, Paul O'Shea, Brett Ross, Ron Anderson, Mark Quinlan, and Lauren Quinlan. This esteemed recognition highlights your exceptional service to Surf Life Saving and Currumbin Beach Vikings, and it is a distinction of which you should be extremely proud.

Membership Services

Our membership base and active patrol numbers have remained steady, with a total of 927 Vikings members and approximately 8,000 members including the Supporters Club. Under the leadership of Kristy Smith, the Membership Services Committee has achieved many significant accomplishments this season. These range from supporting our youth programs to organising numerous social events that have fostered camaraderie and unity within the Vikings community.

From the Annual Bowls Day to the newly introduced "Sunday Sippers," our members have enjoyed a variety of social gatherings throughout the season. Special thanks also to John Lacheca for driving the Vintage Vikings Social event, which aims to bring together all eras of our membership.

Junior Activities

This season, the Junior Activities Committee (JAC) moved into the Club's new state-of-the-art facility, working diligently to establish new operations and systems for the CBV Nipper Program. Under the leadership of Louise Waller and her Committee, and with the support of many volunteer office bearers and nipper families, a successful launch of the new building was held. I extend my congratulations to the Junior Activities Committee for an outstanding season.

With 285 Nippers registered, it was gratifying to witness the development of our future lifesavers as they learnt essential lifesaving and surf sport skills throughout the summer. I also extend my thanks to all the hardworking volunteer members who ensure the smooth operation of the Nipper Program each weekend.

PRESIDENT'S REPORT

Surf Sports

Our Surf Sports section continue to demonstrate outstanding success, unity, and camaraderie both on and off the beach. The season began with the Pool Rescue Team winning the overall Point Score, reclaiming the top spot on the podium. From August 2023 to April 2024, our athletes showed immense dedication to their training, which was reflected in their excellent results throughout the season.

This year, we had 23 Surf Boat Crews who performed admirably in various carnivals, including the ASRL Australian Championships. Our Mighty Viking athletes represented at all levels, from the Point Danger Branch to Australian Representative Teams. Notably, our Club can boast impressive statistics: 17 members were selected for the PDB Rep Team, 12 members for the Interstate Pool Rescue Teams, 1 member competed in the SLSA Super Surf League Teams, and 6 Vikings Surf Boat Crews participated in the Interstate Surf Boat Representative Teams.

We are particularly proud of our 17 members who achieved the highest representative honours in their selections into the Australian Lifesaving Open and Youth Teams, competing both nationally and internationally. These individuals and teams are recognised later in the report. The extensive representation of Currumbin in these teams is a testament to the strength of our surf sports program and the quality of coaching provided at our Club, covering a diverse range of surf sports disciplines.

From our grassroots Nippers to our mighty masters, our members have supported the Surf Sports program with pride and great success, from local carnivals to the Australian Championships.

Supporters Club

The Supporters Club Committee and staff have worked tirelessly in navigating another highly successful season. The introduction of two additional Supporters Club business units, Kinship Café and Vika Events has been an exciting development, fostering growth that directly benefits the Surf Life Saving Club. I thank our membership base for their unwavering support of the Supporters Club businesses over the past 12 months.

As I write this report, construction on the Oceanway is impacting business operations around the clubhouse, making our support more crucial than ever. The Supporter's Club is seizing this opportunity to modernise and optimize the facilities, so please stay tuned for updates. With the impacts of the Oceanway construction, our budget for the upcoming season will be tight and our annual donation has been reduced as a consequence of downturn in business.

I particularly acknowledge the leadership of David Dwight and his Committee and commend the outstanding efforts of all the staff at the Supporters Club, Kinship Café, and Vika Events. Your hard work, patience, and dedication are deeply appreciated and integral to the Currumbin Beach Vikings family.

“It is these collective efforts that make our Club both special and successful.”

Club Council

This season saw a transition in the Club Council with the addition of three new members: Club Captain Peter Harding, Administration Manager/Secretary Kristy Smith, and Finance Manager/Treasurer Robert Dunlop. Alongside them, Andrew McIntyre assumed the role of Deputy President, while Kurtis Smith, Abbey Holyman, and Louise Waller continued in their respective positions.

I extend my sincere thanks and appreciation to the entire team for their dedication and hard work over the past 12 months. Their efforts in effectively managing the Club's governance, finances, and strategic direction have been invaluable. Additionally, their collaboration with the Supporters Club Committee on the 'one team' approach to strategy and shared services has significantly contributed to our success.

In closing, I extend my deepest condolences to the families and friends of our cherished members who have passed away, particularly our Club Patron, Edward “Ted” Carey. He was truly a gentleman, a proud Viking, and a friend to us all.

I also wish to express my gratitude to the Currumbin Beach Vikings SLSC staff, who have worked tirelessly behind the scenes to ensure the smooth functioning of the club. Additionally, I thank each member who has contributed to upholding the Vikings values, served the community, or taken on a position within the club. It is these collective efforts that make our Club both special and successful.

Looking ahead, while we face significant challenges, we are excited to be represented at the upcoming World Lifesaving Championships and to embark on another successful season.

CHIEF EXECUTIVE OFFICER'S REPORT

Michael Sullivan

As I reflect back on the season just gone, I would like to take this opportunity to thank everyone who has been part of the Viking family, no matter how big or small. It is this network that has underpinned the achievements of the Club as a whole, both on and off the beach. Bringing together all the moving parts to deliver our programs and operations is no easy task and requires a lot of good people doing a lot of good work. The incredible achievements noted in this report, and more, would not be possible without your immeasurable contribution in 2023/24.

To that end, I'd like to acknowledge the outstanding efforts of our Club employees and the Club Council. We are extremely fortunate to have high calibre staff and board members to support our members and deliver our programs. In what was an extremely challenging year on a number of fronts, our team have again delivered above expectations. I thank our staffing group and board members for the commitment and support they have provided to myself and every Club member across the season.

This season marked the handover of our new Junior Activities & Community Centre, a project in the planning since 2019. This state of the art facility is an amazing asset for our members and in turn the community. Embrace this building. It is yours to cherish and enjoy for many decades to come and will play a big part in creating special moments and memories for members, young and old, well into the future.

The building houses two new commercial business units which are managed under the banner of our Supporters' Association. Kinship Currumbin is a food and beverage outlet offering a delectable menu, featuring locally sourced ingredients with a sustainable footprint.

Vika Events brings the building to life as a premier beachfront destination nestled in the heart of Currumbin, boasting stunning views and unparalleled amenities in addition to being a home to our Nippers and Junior Activities program.

Proceeds made from these businesses go directly towards supporting our Surf Lifesaving Club programs and operations. The success of these businesses will lay the foundation for the Club for many years to come as we look to diversify the Club's revenue streams into the future. I encourage all members to get right behind these businesses and support the businesses that support our programs and operations.

Once again, the Currumbin Beach Vikings Supporters' Association provided us with vital funding support across the financial year. We secured a number of grants from the City of Gold Coast, Tugun Community Bank, Active Clubs & the DTIS who provided funding towards our facilities and beach equipment. SLSA and SLSQ provided funding to assist the Club with the purchase of lifesaving equipment and maintenance of our facilities.

I would like to welcome on board our newest sponsors - Siera Group, Bridgestone Currumbin and Currumbin Dental Care. Our ongoing partnerships with funding bodies and our sponsors have been incredibly crucial throughout the 2024 Financial Year, with their continued support for the Club and our key community programs. I thank all of our sponsors for their continues support.

It is important to remember that we're more than a Club, we're a community. A community centred, not-for-profit organisation, whose success helps improve the lives of our members and the community. With the goals of saving lives, connecting the community and creating positive lifetime memories, we have begun the foundations of planning for an overarching One Club Strategy. This strategy will focus on a number of key areas: Member Centricity in our people and structure, Operational Excellence in our services & programs, Sustainability for the future in our finances and assets as well as embracing growth and innovation.

As a Club we face a challenging period as we navigate the challenges of the City of Gold Coast's Seawall Upgrade and Oceanway Extension over the coming season. Rest assured that our committees and staff are working tirelessly to ensure that we remain prudent with our expenditure during this time. We are also working hard behind the scenes to ensure that despite these adverse conditions we maximise patronage to our venue and revenues derived outside of the main business. It has long been my experience that every time the Vikings are faced with adversity—we rise. It's part of our blueprint. It's who we are. So, whilst the project presents a major challenge, we will use this as an opportunity to band together, support the businesses that support our Club and come out the other side stronger than ever!

Our efforts across the season have put us in a much improved position as a team and as a Club. The challenge is now ahead of us to build on that foundation. Everyone at the Currumbin Surf Life Saving Club is committed to making our Club the best it can be, and we all look forward to advancing the cause with relentless energy and optimism in the coming season.

"It is important to remember that we're more than a Club, we're a community."

The Currumbin Beach Vikings SLSC acknowledges the support provided this season by City of Gold Coast, Surf Life Saving Queensland, Surf Life Saving Australia, the Queensland State and Federal Governments, the Community Bank Tugun (Bendigo Bank), and the Gambling Community Benefit Fund.

FINANCE REPORT

Robert Dunlop

The audited financial statements of Currumbin Beach Vikings Surf Life Saving Club Inc., for the year ending 30 April 2024 are presented later in this report. I am pleased to report that the Club has had a solid year in revenue raising while managing its costs and risks within its limits. The net result is a pleasing small operating surplus for 2024.

The year has had many challenges with the finalisation of the Junior Activities and Community Centre (“JACC”), the raising of bank debt to complete the payment of the JACC, increasing costs on many of our key expense items (particularly insurance and electricity), as well as our customers and members facing increased living and mortgage costs, to which we are always sensitive. At the same time, we have been able to re-equip ourselves with a new Side by Side Vehicle (previously known as an ATV); two new surf boats and various other upgrades.

Moving into 2024/25, the Oceanwall / Seawall project, while good in the medium / long term for Currumbin Beach, poses significant and near-term risks for the Vikings. In short, our car park will be compromised over the next 7 months, and at times will not be accessible at all. We have been working with the Supporters' Club as to the likely impact and we are of the view that business will be very challenging at this time. While both Clubs are seeking to mitigate damage and losses to our businesses and activities, we are both concerned as to the negative financial impact during this time. Both SLSC and Supporters have made multiple submissions to GCCC in the lead up to the works commencing—we believe there will be some concessions, but these are not known at the date of printing this report.

Despite this, members will note that this work started on 1 May 2024 commencing with excavation around the car park exit with the Club being hard to access with the road safety barriers and black hoardings. This is a challenging time.

Consequently, with decreased revenue, the 2024/25 SLSC budget is very tight. Indeed, to maintain current SLSC activities, the budget shows a cash deficit for the year which will be funded by the 2024 cash surplus. Club Council has had to make some hard decisions about cost budgeting and activity curtailment for 2024/25.

“Please be generous with our volunteers, please be respectful, please say thanks.”

I would like to acknowledge Paul O’Shea, the previous Finance Director, who passed on this role last year with the Club in a solid financial position. I plan to stand on the shoulders of the great man and pass the role on with an even stronger club when my time comes. I also acknowledge the great work of Michael Sullivan (our Club CEO); Sharon Brennan (Operations Manager); Carole Walle (Administrator) and Vanessa Whan (Accounts Administrator). I would like to thank the entire Surf Club Council led by Club President John Brennan, including Kristy Smith, Peter Harding, Andrew McIntyre, Kurtis Smith, Abbey Holyman, and Louise Waller. This entire team has worked well together to manage the budgets and provide the excellent services with disciplined enthusiasm. Also, I note that the Supporters Club Treasurer, Paul Phelan will be standing down at the end of this year. Paul has been a wonderful partner for me, we have worked well together, and he is leaving the Supporters Club with very solid financial discipline.

On a final note, I would like to make a comment about volunteers and their role, not only at the Vikings but in Surf Clubs generally. This may seem strange in a finance report, but managing finance involves managing risk. Our volunteers are our greatest strength but also our greatest weakness. It was not until I joined the Club Council that I appreciated the enormity of the workload our volunteers manage. It is staggering, it is superhuman, it is genuine. They are the life and blood of our Club and if we lose one, we are left with a massive void. If we lost two, we have real problems. Please be generous with our volunteers, please be respectful, please say thanks.

SUPPORTERS' CLUB REPORT

Chris Kelly, General Manager

It is again my pleasure to submit a report on behalf of the management and staff of the Currumbin Beach Vikings Surf Life Saving Supporters' Club.

Firstly, and most importantly I would like to take this opportunity to thank our valued management and staff for their outstanding efforts and performance during the year. Their commitment, support and understanding during extremely busy trade periods and continual staff shortages is to be commended.

I would like to acknowledge how fortunate we are to have wonderful staff that are second to none in terms of their passion and professionalism. We are proud of the high level of service provided to our members and guests and I would like to congratulate all staff for creating many experiences our patrons have both enjoyed and remembered.

Financially, we as a group have performed well turning over \$7.2 million in sales. This has made it possible to meet our obligations to the Surf Life Saving Club. We are extremely proud as a group of the achievement.

Members are undoubtedly the foundation of the Supporters Club and we as a team will strive to make Currumbin Vikings as attractive to existing members and new members alike through service, discounts, and promotions.

Special mention should be given to the Supporters' Association Management Committee who have again guided the club venue in a positive direction. The introduction and continuation of some key initiatives such as "The Vikings Way", "Staff Appreciation Award" and the increased focus on "Staff and Patron Safety" have been embraced and continue to be successful. The Management Committee support has been unwavering and is much appreciated by myself, management and staff.

I would like to acknowledge on behalf of the Supporters Club the outstanding result of our competitors at the Australian Surf Life Saving Titles. The Supporters Club would also like to thank the patrol teams in again maintaining a safe beach environment.

LIFESAVING REPORT

Peter Harding, Club Captain

Having dedicated over a decade to this remarkable community, I am humbled to serve as Club Captain for the first time in 2023/24. Thank you for entrusting me with this responsibility.

Our Club stands as a beacon of safety and community spirit, and I am immensely proud of the benchmark we continue to set. Once again, we have achieved our primary goal: zero loss of life. This achievement is a testament to the unwavering dedication and vigilance of each and every one of you.

Our volunteers, especially our Patrol Captains, are the backbone of our Club. It is through their tireless efforts and commitment that our beach remains safe year after year.

To Carole and Sharon, who diligently manage the office behind the scenes, your support is invaluable. Without you, we couldn't do what we do.

I also extend my heartfelt gratitude to Pat Trevor Jones (Vice Club Captain) and Andrew McIntyre (Former Club Captain) for their steadfast support, and to the Lifesaving Committee (James Maloney – Gear Steward, Ben Macfarlane – First Aid, and Tristan Boal – IRB's) – thank you for your invaluable support with taking care of the lifesaving equipment. Together, we have achieved great success. I would also like to acknowledge and thank our Patrol Captains for taking on this role during the 23-24 season. Your guidance and support of our patrol groups is greatly appreciated.

As we reflect on the past year, we celebrate not only our lifesaving achievements but also the milestone of opening our new Junior Activities Clubhouse and Community Centre and Kinship Cafe. This facility will serve as a hub for our community for decades to come.

Our Club's performance continues to go from strength to strength, thanks to the hard work and dedication of each and every member. Together, we are a tight-knit community where every individual plays a key role. Community means everything to us, and it is through our collective efforts that we continue to thrive.

Looking ahead, I am excited about the positive trajectory of our Club. With your continued support, I am confident

that we will achieve even greater outcomes in the coming year.

Thank you once again for the privilege of serving as your Club Captain. Let's continue to uphold our values, support one another, and strive for excellence in all that we do.

Yours in lifesaving, Peter Harding.

LIFESAVING STATISTICS

LIFESAVING STATISTICS

TRAINING & EDUCATION REPORT

Abbey Holyman

The 2023/24 season was a busy one with the introduction of a new online system AXcelerate introduced by SLSQ for Bronze and SRC courses. Currumbin's trainers and assessors adapted quickly to the program, with a big thanks to Sharon Brennan for the countless hours she dedicated to ensuring all paperwork was submitted for processing. It has certainly been a teething process getting used to the new program, and we thank all members for their patience whilst we learn the ropes.

This season saw through four Bronze courses and two SRC courses run by Paul O'Shea, John Costigan, Steve 'Spider' Cahill', Sharon Brennan, and Abbey Holyman. In the interest of trying something new, a course run by Paul O'Shea was run in February 2024, where Currumbin extended the invite to members from other clubs in Point Danger Branch. We saw members from Palm Beach, Tugun and Rainbow Bay attend, which was a nice way for our new members to meet people from other surf clubs, and for those from other clubs to have an insight into what it means to be a Viking.

A similar approach was taken by our IRB trainers Werner Piehler and Peter Hallett who facilitated an IRB drivers and crew course before the season commenced in 2023. Currumbin, Brisbane Lifesaving Services and Rainbow Bay worked together to put together a course that allowed members to experience a variety of different surf conditions across Currumbin Beach and Rainbow Bay. I am sure our members will have benefitted greatly from this collaborative approach with the wealth of knowledge from all trainers involved. Thank you also goes to Tristan Boal for his time supporting the course, transporting gear and getting in the boat to help teach our new drivers and crews.

We also introduced a 'proficiency helper' day this season prior to commencement of proficiencies with the aim to improve how our training is delivered and to broaden the knowledge of our helpers. This will be an initiative Currumbin will carry into next season too. Our proficiency days across the 2023/24 season gave our members a variety of different conditions to contend with. It was great to see everyone have a go when conditions were tricky, and the camaraderie amongst the Vikings with our more experienced members offering up their expertise and advice on negotiating the break with a board or tube. Thank you to all that helped for our proficiencies: Sandy Kelly, Marsha Maynard, Chris Maynard, Rob Dorrough, Tristan Boal, Werner Piehler, Beverley Walsh, John Costigan, Deryck 'Squizzy' Taylor, Michael Sullivan, Sharon Brennan, Carole Walle, Shaun Robertson, Deb Searle, Michael Chan, Frankie Fisher, Rio Heaney, Robert Youngkin, Laurie Hallinan, Paul O'Shea and Courtney Taylor.

Thanks again to everyone who assisted with training and education this season, and we look forward to what the 2024/25 season will bring!

MEMBERSHIP SERVICES REPORT

Kristy-Anne Smith, Secretary

Membership Services Committee

It is with great privilege that I present the Membership Services Report for the 2023/2024 season. To begin I would like to express my gratitude and thanks to the members of the Membership Services Committee for their time and support over the season in providing social activities, development opportunities and a safe member environment.

A big thank you to the Membership Services Committee members, Youth Development Officer - Tai Smith; Complaints Officer - Justin Jones; and Member Protection Information Officer – Dana Dowker for your dedication. We are pleased to provide you with a summary of membership statistics, activities/events, and achievements over the past season.

Memberships

Our total club financial members for the season were 927, which includes 249 new members showing good strength in membership growth throughout the year.

Youth Development

We had another successful year with the youth team as they continue to strengthen their skills and knowledge through education, lifesaving, competition, and social activities. Our youth members aged 13-25 have collectively embraced the Currumbin Vikings culture and values as they grow in numbers!

Our youth surf sports competitors this season experienced a full calendar of competition covering off all aspects of the surf sports program from surf boats, beach events, lifesaving, water and craft carnivals. Thanks to all the parents and supporters who contributed their time as either age managers, water safety, officials, photographers, etc. as without your assistance we could not have our youth compete and achieve success!

Thank you to all of the people that work behind the scenes to provide an active youth program that is inclusive to all youth members to participate and enjoy. Throughout the season our youth members were supported and encouraged to attend a range of Surf Club and Community based activities that included social club functions, Youth Development Camps, Community Fundraising Events, PDB activities, and of course the Annual Gold Coast Youth Development Ball.

At the 2023/2024 Gold Coast Youth Development Ball many of our members received Youth Involvement Program Awards:

Myla Naylor – Bronze; Bobby Kennealy-Flegler – Bronze; Abigail Eveleigh – Bronze; Cooper Rana-Smith – Bronze; Jackson Brennan – Silver; Marlie Clark – Silver, Congratulations to you all for your contributions. A special mention to our club youth chaperones Tai Smith and Amanda Kennealy for ensuring our youth team had a wonderful night filled with honour and excitement.

Congratulations to our CSLSC Youth Annual Dinner awards recipients for 2023/2024:

- U18 Junior Life Saver of the Year dual winners Julia O'Shea and Jackson Brennan.
- Young Surf Life Saver of the Year winner Tai Smith.

The Vikings had strong representation within development programs including:

2023/24 Youth Development and Leadership Program

- Julia O’Shea (Participant)
- Frankie Fisher (Leader)
- Isabella Danaher (Leader)
- Celeste Nutley (Leader)

2023/24 SLSQ Leadership Excellence Program (Coordinator), Advanced Lifesaving Development Program (Coordinator) and SLSQ Lifesaving Development Program (IRB TAF) – Courtney Taylor.

Valkyrie Vikings

Our Viking Valkyries continue to strengthen and demonstrate leadership and pride throughout all aspects of the club, with growth in our surf sports, patrolling groups and social activities. International Women’s Day this season was celebrated with a Valkyries Patrol on Sunday 3rd March, this was in conjunction with the annual PDB International Women’s Day Patrol. This was followed by a gathering of the local community on Sunday 10th March as Tara’s Tribe turned out in force for the International Women’s Day Fun Walk in support of women with breast cancer. We had over 70 walkers in the event and the morning was celebrated with breakfast and excitement at the Supporters Club.

Membership Honours

Throughout the season many Currumbin Vikings were awarded with recognition achievement awards for Surf Lifesaving members of the local community and we as a Club are extremely proud to call them Vikings!

Tai Smith was presented as a finalist for the 2023 Currumbin Community Young Person of the Year award for outstanding contribution to our community and exceptional personal achievement by Laura Gerber MP.

Sarah Maritz, Richie Ferris, John Brennan OAM, and Michael Sullivan CEO were all honoured with McPherson Surf Life Saving Community Achiever Awards for their services to Currumbin Beach Vikings SLSC and the community.

On Friday 3rd May 2024, the Hon. Karen Andrews MP – Federal Member for McPherson awarded 8 Currumbin Beach Vikings SLSC members with the esteemed honour of earning the “National Service Medal” for service and dedication of each member who has served a minimum of 15 years’ service and completed over 30 hours of service each year.

MEMBERSHIP SERVICES REPORT

Social Vikings & Community Events

Throughout the season we held many social activities which gathered the Currumbin Vikings club members.

A special Grand Opening of the Currumbin Junior Activities Centre was held on Sunday 10th December, with members past and present in attendance as the members, and local community friends gathered in celebration of the building completion and opening of the new facility. We look forward to many more years of celebrations and events at the new Junior Activities and Community Centre!

Active Members monthly social sessions returned with a twist as we introduced a new Sunday Sippers session at Vika Events which has become a crowd favourite amongst many. The introduction of the monthly Sunday Sippers saw the team from Kinship Café and Vika events combine to provide many enjoyable afternoons overlooking the glorious Currumbin Beach front while sipping on a cold beverage and catching up with fellow Vikings as the sun set before us.

Barefoot Bowls Social Day held on Sunday 29th October – this is always a great day that continues to grow and bring the whole club together as we “Never forget to have Fun”. This season we had 22 teams competing in a best of 3 ends with a father-son double combo the “Kiwis” – Kurtis Smith, Clifton Moana, Tai Smith, and Blaze Moana taking the winning glory! And our best dressed was very well contested with the overall winners crowned after a dance off by “The Pink Ladies” – Tara Cahill, Kylie Graham, Renae Stringer and Leanne Niven.

The annual Aussies CBV team breakfast, Youth Dinner and Senior afterparty celebrations produced that “feel good” team spirit that money can’t buy! There is nothing better than seeing the Green & White Viking Pride come together, as competitors, family, and friends share stories of epic moments achieved and create lifetime memories at the pinnacle event of the surf sports season.

The Anzac Day Dawn Service saw thousands gather at Currumbin Beach to remember and honour the courageous men and women who have served in the Australian and New Zealand defence forces. The Currumbin Beach Vikings were honoured to serve in the special day of remembrance with club members involved in the laying of wreaths, the traditional Burial at Sea performed by our surf boats, patrolling members assisted with Guards of Honour, as well as supporting the Currumbin RSL with Park & Ride bus services, and the Gunfire BBQ Breakfast.

The Club Annual Dinner concludes the seasons social calendar as we come together to recognise, acknowledge and celebrate the achievements of our athletes, lifesavers, volunteers, and supporters. Congratulations to all club members on your personal goals and success throughout the year.

I conclude by saying thank you to our Club Culture Champions Ben Munro and Robina Tomlins for their amazing effort and dedication in presenting the Vikings Voice Monthly Newsletter, providing updates, highlighting successes, and sharing information across all sections of the Surf Club and Supporters Club. These newsletters continue to play a crucial role in fostering our Club culture, acknowledging the contributions and accomplishments of members, and keeping our membership base well informed.

JUNIOR ACTIVITIES REPORT

Louise Waller, Junior Activities Chairperson

Firstly, I would like to sincerely thank our JAC Executive Committee: Sarah, Bill, Jen & Elisha and the extended JAC committee members - you have all gone over and beyond as volunteers and have made my job so easy and enjoyable. To all the age managers, officials, water safety and everyone who volunteered their valuable time behind the scenes to make our nipper program work, without you guys our young future lifesavers would not get the education or a well-run, fun nipper program we all provide. I would also like to thank all our nippers, from our mighty U6's who have just started their nipper journey, to our amazing U14's who are now moving over to the Senior Club - you all do an astounding job and make waking up on a Sunday morning and spending it on the beach so rewarding.

It was wonderful starting off the season in our brand-new clubhouse. There have been a few teething issues but overall, it has been spectacular utilising the space and making it our own. We also took our training nippers across to Point Lookout SLSC for a 3-day training camp which was the highlight of the season for many of our families and we hope to make this an annual event.

This season we had 285 little nippers join up, making every Sunday packed full of fun activities helping our nippers gain the various awards relevant to each age level. We had a lot of our older nippers join in the younger age groups to run around and have fun with them. Seeing the smiles on the younger kids faces as they raced the big kids was priceless.

Over the season, we had 25 members officiate and 15 members nominate for water safety at carnivals. As a club, we competed at several events this season with some amazing results both individually and as a club overall.

To the coaching team: Zane Holmes, Dan Norton-Smith, Sam Dick, & Rachelle King - you have all done an amazing job this season preparing our nippers from under 8's through to our under 14's, getting them ready to compete at their best. The results at carnivals and number of members selected for representative teams are testament to the high level of coaching.

The following members made the Point Danger Branch Team. Congratulations: Ivy Artz, Sena McCabe, Koa Brodie, Leroy Ferris, Joel Maritz, Myla Naylor, Cooper Clarke & Cal Fischer.

This season Hunter Gaffney U12 and Koa Brodie U13 won the Shirley Neumann Champion Competitors for 23/24 and Sarah Maritz Johnson and Richie Ferris were recipients of the McPherson Surf Life Saving Community Achiever Award.

As surf lifesavers, our priority is keeping our beach safe. This season thanks to the help of Abbey Holyman & Steve Cahill we had all of our U14's successfully complete their Surf Rescue Certificate. Alongside these under 14's, we also had several parents complete both their Bronze Medallion or Surf Rescue Certificate, now allowing them to wear the orange hi-vis and help keep our nippers safe in the water.

Nippers has always been for the whole family. Not only do the children learn important beach and water skills and enjoy the new friendships that come with belonging to a club, but their parents can also become involved. Throughout the season we had over 150 parents help with the nipper program, whether it be water safety, standing as a marker for the juniors to wade, putting the flags back in place or serving at the canteen, if it wasn't for those parents helping, the nipper program wouldn't run so smoothly. A huge thank you for your time. The friendships developed at nippers and into the senior club will last a lifetime and encourage long-term involvement with Currumbin SLSC.

We are also grateful for our sponsors BIS Cosgrove, Event Marques, Just Sunnies, A Curtain and Blinds, The Village Store, Rigs Recovery, Document Solutions Australia & Mark Rolton Education, without you it's not possible to put these members on the beach safely. We would like to thank you for your support.

I would like to acknowledge the great team that works tirelessly behind the scenes to make it all possible. Surf Life Saving Club Council President, John Brennan and the Club Council members for their support that has been greatly appreciated. Finally, yet most importantly Michael Sullivan our CEO who does an outstanding job to enable this all to happen and Carole Walle & Sharon Brennan the administration team. Your time and efforts will never be forgotten.

Thank you.

“The friendships developed at nippers and into the senior club will last a lifetime and encourage longer term involvement with Currumbin SLSC.”

SURF SPORTS REPORT

Kurtis Smith, Team Manager

It's with great pleasure I write the annual report for Currumbin Beach Vikings Surf Sports 2023/2024. The season had many highs and lows but buy in large it was another very successful season across the board.

The quote by Jim George *"its not how you start that's important, its how you finish"* this is indicative of surf sports for 2023/2024.

The season started off with our Currumbin Pool Rescue team wrestling back the number one club crown last August, the team were led magnificently by our Pool Rescue captain Natalie Peat and coaches Kurt Wilson, Rachele King and Jack Eveleigh and finished off in April with our Open Mixed Beach Relay taking gold, our Open Mixed Lifesaver Relay teams taking gold and bronze, and our Open Mixed Taplin (first time event at Australian Titles) taking silver in a hotly contested field.

There were several successes throughout the season with our Surf Boat section proving that they are one of the best and most dominant boat sections in the country with multiple crews representing Queensland, dominating ASRL Open in Lorne and the Drakkars taking silver and Odins taking bronze in their respective divisions at the Australian titles along with the Cockatoos and Hunters starting and winning gold and bronze respectively in the Mixed Open Lifesaver Relay.

I can't thank our legion of sweeps enough Matt Wildman, Lyle Clark, Glen Willams, Brett Dowker, Steve Purcell, Anthony O'Toole and Wil McDowell who have been well led this season by Paul Davies.

Our Beach section whilst small it more than makes up for it in the quality it possesses with several Australian medals won, Elizabeth Forsyth taking gold in Beach Flags and Mixed Beach Relay and Tahlia Sunderland taking silver in the U19 Beach Flags along with her gold in the Open Mixed Beach Relay. I must thank Sam Dick for all his time and dedication throughout the season.

The Surf Rescue section has continued to build on the successes of the past two seasons with some amazing results with Billy Love and Julia O'Shea winning silver in their respective U17 Champion Life Saver categories and Lucas Berezwick winning Bronze in the U19 Champion Lifesaver. This group is well coached and led by Paul O'Shea and Sharon Brennan.

“It ‘s not how you start that’s important, it’s how you finish.”

Our fine group of Masters athletes lived up to their high expectations and again performed well over the season in both individual and team events. There were some fantastic results achieved from our Mighty Masters at the Australian Championships across Pool Rescue, Surf Rescue, Ocean and Board Riding. Thank you to Steven ‘Spider’ Cahill, Carl Greenhalgh, Marsha Maynard and Sandy Kelly for getting the crew to the line.

Lenny Kravitz has a song called “It Aint Over ‘Til Its Over” this reflects the Vikings spirit which was evident when Callum Brennan caught the wave of the carnival during the Six Person Taplin at the Queensland State Championships and Jayda Kempton’s board paddle in the Open Mixed Taplin at the Australian Titles. This spirit and attitude is what our club at Elephant Rock was born of from the days of Dick Lucas to Norm Rabjohns, Marshall Kropp and Mick and Dick Cahill to the present.

This group is young and hungry for success and have been surrounded by some experience such as Jayden Erskine, James Johnson, Kirsty Higgison and Jackson Maynard.

I look forward to witnessing this group of athletes developing over the next season or two under the guidance of our valued coaches Rachelle King, Zane Holmes, Hayden White, Dan Norton-Smith. This group of coaches can take our athletes to the highest of highs, all have had incredible success as an athlete and/or coach. So, to you all I thank you.

We had numerous members across all sections who were selected to represent their country, I congratulate each one of you.

The next group of members are extremely important to our club, without there selflessness and time our athletes wouldn’t be able to compete as they do, to our senior officials we salute you. To our President, John Brennan, Beverley Walsh, Ben Cahill, Tony Carle, Madonna Fien, Sharleen Swan, Denis O’Toole, Kevin Love, Paul and Jenny Kenny, Charles and Judith Melloy I would like to personally thank you.

Finally, I would like to thank Tara Cahill for all the assistance and time you give to our Salties group we wouldn’t be able to do what we do without you. Lastly, to my family Kristy, Mia and Tai I thank you for your understanding, patience and time to allow our family to be a part of this wonderful club on the rock that is Currumbin Surf Life Saving Club.

Club Council's Report

30 April 2024

The Club Council presents their report on Currumbin Beach Vikings Surf Life Saving Club Inc for the financial year ended 30 April 2024.

Club Council Members

The names of the members of the club council in office at any time during, or since the end of, the year are:

Names	Position	Appointed/Resigned
John Brennan OAM	President	
Andrew McIntyre	Deputy President	
Kristy-Anne Smith	Administration Manager/Secretary	Appointed 2023 AGM
Robert Dunlop	Finance Manager	Appointed 2023 AGM
Peter Harding	Life Saving Chairperson	Appointed 2023 AGM
Abby Holyman	Chief Training Officer	
Kurtis Smith	Team Manager Surf Sport	
Louise Waller	Junior Activities Chairperson	

Club Council Members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities and significant changes in nature of activities

The principal activities of Currumbin Beach Vikings Surf Life Saving Club Inc during the financial year were to promote, advance and control the work of Surf Life Saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfil any charter of the association including its environment and community education commitments.

There were no significant changes in the nature of Currumbin Beach Vikings Surf Life Saving Club Inc's principal activities during the financial year.

Operating result

The profit of the Association for the financial year after providing for income tax amounted to \$ 257,858(2023: \$ 2,123,110).

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Signed in accordance with a resolution of the Members of the Club Council:

Committee member: 

Committee member: 

Dated this 19 day of June 2024

**AUDITOR'S INDEPENDENCE DECLARATION UNDER SECTION 60-40 OF THE AUSTRALIAN CHARITIES AND NOT FOR PROFITS COMMISSION ACT 2012
TO THE COMMITTEE OF CURRUMBIN BEACH VIKINGS SURF LIFE SAVING CLUB INC.**

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2024 there have been:

- i. no contraventions of the auditor independence requirements as set out in s 60-40 of the *Australian Charities and Not-for-Profits Commission Act 2012* in relation to the audit; and
- ii. no contraventions of any applicable code of professional conduct in relation to the audit.

Cash and cash equivalents at end of financial year	<u>6</u> <u>824,609</u>

The accompanying notes form part of these financial statements.

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

The financial report covers Currumbin Beach Vikings Surf Life Saving Club Inc as an individual entity. Currumbin Beach Vikings Surf Life Saving Club Inc is a not-for-profit Association, registered and domiciled in Australia.

The functional and presentation currency of Currumbin Beach Vikings Surf Life Saving Club Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the Club Council's opinion the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Association are:

Sale of Goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

2 Material Accounting Policy Information

(a) Revenue and other income

Specific revenue streams

Interest Revenue

Interest revenue is recognised using the effective interest rate method.

Grant Revenue

Grants with conditions attached which must be satisfied before the contributions will be received will be recognised as revenue only when those conditions are satisfied.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Fundraising and Membership Income

The Association has implemented AASB 15 which requires membership and fundraising income to be reported in line with the relevant period.

Fundraising income is held as a liability on the statement of financial position and recognised as income at the time of the event.

Supporters Contributions

Contributions are recognised in accordance with AASB 1058 *Income for Not-for-Profit Entities*. Under AASB 1058 the Association is required to analyse their funding arrangements to determine whether the conditions specified in each arrangement are considered to be 'sufficiently specific' to assess if the arrangement falls within the scope of AASB 15. The specificity of performance obligations specified in an arrangement affects the accounting for the arrangement which will result in either - potential income deferral under AASB 15; or - immediate income recognition under AASB 1058

(b) Income tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

2 Material Accounting Policy Information

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Inventories

Inventories acquired at no cost, or for nominal consideration are valued at the current replacement cost as at the date of acquisition, which is the deemed cost.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Land

Land is measured using the revaluation model.

Buildings, Plant and equipment

Buildings, plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2.5%
Plant and Equipment	25%
Motor Vehicles	25%

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

2 Material Accounting Policy Information

(f) Financial instruments

Financial assets

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost.
- fair value through other comprehensive income - equity instrument (FVOCI - equity)

Amortised cost

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Fair value through other comprehensive income

Equity instruments

The Association has a strategic investment in an unlisted entity over which they do not have significant influence nor control. The Association has made an irrevocable election to classify these equity investments as fair value through other comprehensive income as they are not held for trading purposes.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Financial liabilities

The financial liabilities of the Association comprise trade payables, bank and other loans.

Notes to the Financial Statements

For the Year Ended 30 April 2024

2 Material Accounting Policy Information

(g) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

(h) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and subject to an insignificant risk of change in value.

(i) Employee benefits

Provision is made for the Association's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

(j) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 April 2024, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements For the Year Ended 30 April 2024

3 Critical Accounting Estimates and Judgments

The Club Council make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions. At the time of signing this report the Club Council have assessed no indicators exist to suggest impairment is required to be recognised on the Associations property, plant and equipment.

Key estimates - grant income

For many of the grant agreements received, the determination of whether the contract includes sufficiently specific performance obligations was a significant judgement involving discussions with a number of parties at the Association, review of the proposal documents prepared during the grant application phase and consideration of the terms and conditions.

Grants received by the Association have been accounted for under both AASB 15 and AASB 1058 depending on the terms and conditions and decisions made.

If this determination was changed then the revenue recognition pattern would be different from that recognised in these financial statements.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

4 Other Revenue and Income

Revenue from continuing operations

	2024	2023
	\$	\$
Revenue recognised on receipt (not enforceable or no sufficiently specific performance obligations - AASB 1058)		
Grants - Government	299,664	1,181,818
Grants - Other	10,000	20,085
Grants - QFES	25,193	25,193
Total Grant Revenue	334,857	1,227,096

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

4 Other Revenue and Income

Other income

	2024	2023
	\$	\$
Gym rental	24,234	19,754
Merchandise and uniform sales	16,439	26,814
Other income	13,800	17,229
Gain/(Loss) on disposal of assets	3,727	(21,263)
	<u>58,200</u>	<u>42,534</u>

5 Finance Income and Expenses

	2024	2023
	\$	\$
Interest income	7,740	7,263
Dividends from shares held	700	350
Interest expense	27,803	436

6 Cash and Cash Equivalents

	2024	2023
	\$	\$
Cash at bank and in hand	397,481	618,992
Investment Account	280,079	328,057
Provision accounts	147,049	1,337,958
	<u>824,609</u>	<u>2,285,007</u>

Currumbin Beach Vikings Surf Life Saving Club Inc

66 528 332 039

Notes to the Financial Statements

For the Year Ended 30 April 2024

7 Trade and Other Receivables

	2024	2023
	\$	\$
CURRENT		
Trade receivables	32,299	17,680
GST receivable	19,743	59,207

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CURRUMBIN BEACH VIKINGS SURF LIFE SAVING CLUB INC

Opinion

We have audited the financial report of Currumbin Beach Vikings Surf Life Saving Club Inc which comprises the Statement of Financial Position as at 30 April 2024, the Statement of Profit or Loss for the year ended, Statement of cashflows, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible persons declaration on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the financial report of Currumbin Beach Vikings Surf Life Saving Club Inc is in accordance with the Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- Giving a true and fair view of the association's financial position as at 30 April 2024 and of its financial performance for the year then ended; and
- Complying with the Accounting Standards to the extent described in Note 1 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter – Comparative Data

We were not the appointed auditor in prior period ended 30 April 2023. Our procedures on opening balances were to obtain sufficient appropriate audit evidence about whether the opening balances contain misstatements that materially affect the current period's financial statements by:

- (a) determining whether the prior period's closing balances have been correctly brought forward to the current period or, when appropriate, have been restated;
- (b) determining whether the opening balance reflect the application of appropriate accounting policies; and
- (c) performing specific audit procedures to obtain evidence regarding the opening balances.

While we provide no opinion on the completeness and accuracy of the comparative data, our audit report is not qualified with regards to this matter.

Other Matter – Fixed assets

The financial information presented on the Statement of financial position includes \$2.04m in fixed asset additions. While we are confident the total value appears true and fair, we provide no opinion on the classification of these additions as classes of property, plant and equipment due to limitations on description of assets.

Other Matter – Insurance expense

The financial information presented on the Statement of profit and loss includes \$92,788 in insurance expense for the year due to historic prepayments written down. This expense is not a true reflection of actual insurance premiums paid during the year, and reflects errors in prior year insurance expense reported.

Other Matter – Stock on hand

The financial information presented on the Statement of financial position includes \$35,332 in inventories related to merchandise stock held. We did not complete a stocktake and therefore provide no opinion on the value reported.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CURRUMBIN BEACH VIKINGS SURF LIFE SAVING CLUB INC

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of *Australian Charities and Not-for-Profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Australian Charities and Not-for-Profits Commission Act 2012* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
